Animal Welfare Fortnight Celebrations organised by Jammu SPCA
VIII. ANIMAL BIRTH CONTROL PROGRAMME

The Municipal Corporations and local bodies in India have been catching and destroying stray dogs for many decades in order to solve the problem of stray dogs and prevent spread of rabies.

However, neither the population of stray dogs nor the incidence of rabies had come down. Therefore, the Board decided to take up the Animal Birth Control programme as a long term solution to this problem.

The Animal Birth Control (ABC) Programme was launched as a Pilot Project in the six metropolitan cities of Delhi, Bombay, Calcutta, Madras, Bangalore and Hyderabad, since the stray dog problem is most acute in these major cities.

The project involves catching of ownerless and abandoned dogs, conduct ABC operations and find homes/leave them in their original localities from where they were picked up.

The participating NGOs in the six metros were provided with adequate funds for building up infrastructure facilities as also for carrying out the ABC operations.

The citywise break up of ABC operations performed during 1996-97 are as follows:

Use of the injection by a qualified Veterinary Officer for the treatment of sickness of the animals is understandable. But use of this injection Oxytocine by milkmen who are not qualified to use the drug is an offence and SPCA Inspectors and Police to book such offenders to reduce the incidence of this offence.

TRANSPORT OF ANIMALS

The Blue Cross Society of Hyderabad had visited the Rilway Stations in May 1996 to check the loading/unloading of Animals. It was observed by the Society that there should be sufficient rations and water facilities for Animals being transported.

The transport of Animal Rules are enforceable and any violation of the Rules is an offence. The enforcing authorities should book such cases without fear or favour.

ANIMALS/BIRDS AT ELECTION CAMPAIGNS

Based on the news item published in Hindustan Times of 20th April 1996 regarding photo of a cow convassing support to a political party, the Board appealed to the Election Commission not to permit animals and birds as symbols during elections. The candidates misuse the symbol animals and ill treat them during their election campaigns. The Election Commission was quite receptive for the suggestion and had taken remedial steps to prevent abuse of animals in election campaigns.

CONDITIONS OF SLAUGHTER HOUSE

A news item had been published in "Bombay Times" of 31st January, 1997 regarding "Chilling Killings" in Deonar Slaughter House giving graphic description of cruelty in slaughter system. These tours helped the Board to get acquainted with the needs of the Animal Welfare Organisations and their specific problems as also to ensure that the organisations are functioning effectively and the grants of the Board were utilised by them for the purpose for which they were sanctioned.

CONCLUSION

The Animal Welfare Board of India has completed 34 years of service for the promotion of Animal Welfare and Prevention of Cruelty to them. During the year under report the activities of the Board continued to be extended all over the country including Jammu Kashmir and the North Eastern States and even remote parts of the Country. The training courses conducted in various parts of the country helped the Board to spread the activities far and wide. The Nodal officers and the Animal Husbandry Department helped the Board in co-ordinating the activities of the Board. The Animal Welfare Organisations recognised by the Board were activated and the training courses were instrumental in propagating humane education in a big way. The trainees who had undergone the 5 day training courses had all been appointed as “Jeev Sarathi” or Honorary Animal Welfare Officers and this had given a boost to the activities of the Board.

With the increased allocation of financial grants, the Animal Welfare activities have been increasing consistently. We have no doubt that with increase in grants in the years to come the activities of the Board are bound to be more effective and the dumb friends of man, the animals, would get their due share in the years to come.

ACCOUNTANT GENERAL (AUDIT) I

Chennai - 35,
Date : 17-07-97
I. INTRODUCTION

The Animal Welfare Board of India was constituted in 1962 in accordance with Section 4 of the Prevention of Cruelty to Animals Act, 1960. The Board acts as an advisory body on matters relating to elimination of cruelty caused to animals, medical care and attention provided in animal hospitals and in providing financial assistance to the hospitals. The Board also assists animal welfare organizations for the formation of Pinjraoples, Sanctuaries etc., and in imparting education to the general public on humane treatment of animals.

The Board receives grants from Central Government for its various activities. During the year, the Board received grants towards Plan and Non-Plan expenditure of Rs.221.97 lakhs (Plan - Rs.186.00 lakhs and Non-plan - Rs.35.67 lakhs).

As required in Rule 24(2) of the Animal Welfare Board (Administration) Rules, 1962, as amended in 1963, the audit of Animal Welfare Board has been undertaken under Section 19(2) of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971.

COMMENTS ON ACCOUNTS

1. Receipts to plan head and payments from RSPCA understated by Rs.5.82 lakhs

   During the year 1996-97, funds of Royal Society for the Prevention of Cruelty to Animals (RSPCA) were transferred to plan head of the Board in two instalments viz., Rs.3,30,000 and Rs.2,52,000 towards financial assistance to voluntary organizations and for conducting training programme respectively.

   However, the above two transactions were not exhibited in the Receipts and Payments Account of the Board.

   As a result, receipts to plan head and payments from "RSPCA" were understated by Rs.5.82 lakhs.

2. Liability understated by Rs.25,770

   Against total fine amount received from Government of Tamilnadu to the extent of Rs.67,080 for being distributed to voluntary organizations, only a sum of Rs.41,310 was transferred to voluntary organization and a balance of Rs.25,770 was taken to the revenue account of the Board as there was no claimant for the sum for which approval of the Board was not obtained.
ANIMAL WELFARE BOARD OF INDIA

The sum should have been disclosed as a liability of the Board till the approval was obtained.

As such, liability was understated and income was overstated by Rs.25,770/-

3. Advance disclosed as final expenditure

In respect of the advance payment of Rs.10,000 made (January 1997) towards rent for a hall for conducting a seminar on animal welfare, adjustment was not done till March, 1997.

However, the advance was booked as a final expenditure under Humane Education.

As a result, advance was understated and expenditure was overstated by Rs.10,000.

4. Ledgers not maintained

A ledger disclosing balances of, each item of Receipt and Payment account and Balance Sheet has not been maintained. Individual accounts are maintained in loose sheets.

As a result, examination of final accounts with reference to ledger was difficult.
