X. ANIMAL BIRTH CONTROL PROGRAMME

The Municipal Corporations and local bodies in India have been catching and destroying stray dogs for many decades in order to solve the problem of stray dogs and prevent spread of rabies.

However, neither the population of stray dogs nor the incidence of rabies had come down. Therefore, the Board decided to take up the Animal Birth Control programme as a long term solution to this problem.

The Animal Birth Control (ABC) Programme was launched as a Pilot Project in the six metropolitan cities of Delhi, Bombay, Calcutta, Madras, Bangalore and Hyderabad, since the stray dog problem is most acute in these major cities.

The project involves catching of ownerless and abandoned dogs, conduct ABC operations and find homes/leave them in their original localities from where they were picked up.

The participating NGOs in the six metros were provided with adequate funds for building up infrastructure facilities as also for carrying out the ABC operations.

The citywise break up of ABC operations performed during 1997-98 are as follows:

The Animal Welfare Board of India has completed 35 years of service for the promotion of Animal Welfare and Prevention of Cruelty to them. During the year under report the activities of the Board continued to be extended all over the country including Jammu Kashmir and the North Eastern States and even remote parts of the country. The training courses conducted in various parts of the country helped the Board to spread the activities far and wide. The Nodal officers and the Animal Husbandry Department helped the Board in co-ordinating the activities of the Board. The Animal Welfare Organisations recognised by the Board were activated and the training courses were instrumental in propagating humane education in a big way. The trainees who had undergone the 5 day training courses had all been appointed as "Jeey Sarathis" or Honorary Animal Welfare Officers and this had given a boost to the activities of the Board.

With the increased allocation of financial grants, the Animal Welfare activities have been increasing consistently. We have no doubt that with increase in grants in the years to come the activities of the Board are bound to be more effective and the dumb friends of man, the animals, would get their due share in the years to come.

ANIMAL WELFARE BOARD OF INDIA

AUDIT REPORT ON THE ACCOUNTS OF THE ANIMAL WELFARE BOARD OF INDIA, CHENNAI FOR THE YEAR 1997 - 98

I. INTRODUCTION

The Animal Welfare Board of India was constituted in 1962 in accordance with Section 4 of the Prevention of Cruelty to Animals Act, 1960. The Board acts as an advisory body on matters relating to elimination of cruelty caused to animals, medical care and attention provided in animal hospitals and in providing financial assistance to the hospitals. The Board also assists animal welfare organisations for the formation of Pettaoples, Sanctuaries etc., and in imparting education to the general public on humane treatment of animals.

The Board receives grants from Central Government for its various activities. During the year, the Board received grants towards Plan and Non-Plan expenditure of Rs.192.30 lakhs (Plan - Rs.160.00 lakhs and Non-plan - Rs.32.30 lakhs).

As required in Rule 24(2) of the Animal Welfare Board (Administration) Rules, 1962, as amended in 1963, the audit of Animal Welfare Board has been undertaken under Section 19(2) of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971.

COMMENTS ON ACCOUNTS

1. Board's contribution of Contributory Provident Fund (CPF) not charged to Board's A/c - Rs.1.63 Lakh :-

As per the Balance Sheet of Contributing Provident Fund (CPF) as on 31.03.98, Board's share of contribution for 1997-98 was Rs.1,62,567. This amount was shown as receivable in the CPF Balance Sheet.

However, this amount was not charged as expenditure in the Income and Expenditure Account of the Board with a corresponding liability in the Balance Sheet of the Board.

As a result, expenditure and liability were understated by Rs.1.63 lakh.

2. Financial Assistance - Receipts and Payments overstated by Rs.15,000/-:

Under a Scheme of financial assistance, an assistance of Rs.15,000 released (November 1997) through a DD to a Non Government Organisation, Arantangi but returned subsequently was paid again on March, 1998.
When the DD was returned, this was taken as refund of grant from Animal Welfare Organisations instead of a reduction under Finance Assistance head.

As a result, Financial Assistance (payment) and refund (receipt) were overstated by Rs.15,000.

3. Incorrect accrued interest - Rs.9,174/- :

As per Income & Expenditure Account, accred interest as on 31.03.98 was Rs.2,01,006 where as it worked out to Rs.2,10,180.

As such, income and receivable were understated by Rs.9,174.
