The Animal Birth Control (ABC) Programme was launched as a pilot project in the six Metropolitan cities of Delhi, Mumbai, Calcutta, Chennai, Bangalore and Hyderabad since the stray dog problem is most acute in these major cities.

The project involves catching of ownerless and abandoned dogs, conduct ABC operations and find homes/leave them in their original localities from where they were picked up. The project has been evaluated by TANUVAS.

The participating NGOs in the six metros were provided with adequate funds for building up infrastructure facilities as also for carrying out the ABC operations.

ABC Programme was launched by International Animals and Birds Welfare Society, Guttur, AP

### X Cruelty Cases

During the year under report, the Board continued to receive complaints regarding cruelty to animals from various parts of the country.

The cases reported included illegal slaughter of cows and buffaloes, illegal trade of birds, cruel killing of peacocks, killings of rare migratory birds like pelican etc., cruelty to elephants in joy rides, cruelty to elephants in festivals, killing of stray dogs, cock fights, hunting of wild animals, impaling of pigs, capture of parrots and other birds from forest areas, shooting of pigs in public places, sacrifice of animals during Ayudhapooya, hunting of jackals for religious festivals, cattle race, sacrifice of animals in the name of religion and so on.

Action was taken to approach the district authorities and other authorities concerned to take stringent action against the offenders. In many cases, the Board received feedback of the action taken by the authorities concerned to prevent the cruelty.
Plastic Bags

The Board decided that presently death of stray cows and buffaloes in many cases is due to swallowing of plastic bags thrown by public in the garbage bins which poses a serious threat to these meek and speechless animals who are otherwise worshipped since Vedic Times for their ability to provide Milk to human beings. The Executive Committee of the Board at one of its meetings resolved that the throwing of garbage by the public in plastic bags and throwing of plastic bags in the garbage be totally banned throughout India and necessary instructions be got issued from the Ministry of Environment and Forests to protect these animals, from such cruelty being inflicted on them. In this connection, the draft Re-cycled Plastic usage Rules, 1998 notified by the Union Ministry of Environment and Forests on 20th November 1998 vide Notification No. S.O. 980(E) prohibit the use of carry bags or containers made of re-cycled plastics for storing, carrying and packing food stuffs. However, the prohibition will not apply in situation where the carry bags and containers conform to the specifications mentioned in the Prevention of Food and Adulteration Act 1954 and the Rules or if they are not pigmented.

The prohibition will also not be applicable if the reprocessing or recycling of plastics is undertaken strictly in accordance with the Indian Standards. The relevant standard (ISI 4534, 1998) is entitled "Guidelines for Recycling of Plastics" published by the Bureau of Indian Standards and the end product made out of recycled plastics is marked as "recycled" alongwith the indication of the percentage of use of recycled material.
If the carry bags or containers are made of recycled plastic whose minimum thickness is not less than 25 microns, the prohibition on its use will not be applicable. The Draft Rules go on to state that the minimum thickness of carry bags made of virgin plastic shall not be less than 20 microns, though it fails to lay down further guidelines on the use of virgin plastic. Every State and Union Territory is expected to notify an authority for implementing these rules.

2.2 Non reflection of stock worth Rs.25,000/- in the Balance Sheet

It is seen from the records that a sum of Rs.48,271/- was paid towards printing of 1000 copies of Hindi Diaries (Year 1999). It is also seen from the records that there was no sale till the closure of Accounts. But the value of the stock (Rs.25,000) has not been reflected in the Balance Sheet in the current assets and as such the assets have been understated.

CORRIGENDUM

The following para may please be substituted for para 2.3 appearing at page no. 58 of the Annual Report 1998-99.

2.3 Incorrect accounting of Assets purchased - Rs.28,780

A new EPABX system and Franking Machine were purchased during 1998-99 in exchange of existing EPABX system and Franking Machine.

Details of cost of new equipment, cost of old equipment, value allowed for old equipment for the exchange and actual payments made are given below:-

<table>
<thead>
<tr>
<th>Name of Equipment</th>
<th>Cost of Original Equipment</th>
<th>Value allowed for old equipment</th>
<th>Value of New Equipment</th>
<th>Actual Price paid</th>
</tr>
</thead>
<tbody>
<tr>
<td>EPABX</td>
<td>28,659</td>
<td>2,200</td>
<td>22,950</td>
<td>20,750</td>
</tr>
<tr>
<td>Franking Machine</td>
<td>7,320</td>
<td>5,000</td>
<td>81,400</td>
<td>76,400</td>
</tr>
</tbody>
</table>

While accounting the exchange transaction of assets purchased, the difference of cost of Original Equipment and value allowed for exchange was taken as loss in Income and Expenditure account instead of a reduction in Capital Fund and new equipment were capitalized for the net value only and not to its gross value.

As a result, Excess of income over expenditure was understated by Rs.28,780/-, Capital fund overstated by Rs.21,580/- and respective asset understated by Rs.7,200/-
AUDIT REPORT ON THE ACCOUNTS OF THE
ANIMAL WELFARE BOARD OF INDIA, CHENNAI FOR THE YEAR 1998-99

1. INTRODUCTION

The Animal Welfare Board of India was constituted in 1962 in accordance with section 4 of the Prevention of Cruelty to Animals Act, 1960. The Board acts as an advisory body on matters relating to elimination of cruelty caused to animals, medical care and attention provided in animal hospitals and in providing financial assistance to the hospitals. The Board also assists Animal Welfare Organisations for the formation of Pinjrapoles, Sanctuaries etc., and in imparting education to the general public on humane treatment of animals.

The Board receives grant from the Central Government for its various activities. During the year, the Board received grants towards Plan and Non-Plan expenditure of Rs.494.66 lakh (plan Rs.439.00 lakh and Non-Plan Rs.55.66 lakh)

As required in rule 24(2) of the Animal Welfare Board of India (Administration) Rules, 1962 as amended in 1963, the audit of Animal Welfare Board of India has been undertaken under section 19(2) of the Comptroller and Auditor General's (Duties, Powers and Conditions of Services) Act, 1971.

2. COMMENTS ON ACCOUNTS

2.1 HBA fund not shown Rs.6.50 lakh

Consequent to the decision of governing Board of Animal Welfare Board of India to grant HBA to its staff from 1990-91, Animal Welfare Board of India had requisitioned additional funds from Ministry through its Budget in the year 1991-92 and 1992-93 and accordingly, the Ministry had released Rs.6,50,000/- (1991-92 Rs.2,00,000 and 1992-93 Rs.4,50,000) along with non-plan grant.

However, funds were credited to Income and Expenditure account in the respective years of receipt (i.e. 1991-92 and 1992-93). Instead, a separate fund called "HBA fund" should have been created and disclosed separately in the Balance Sheet.

As a result, HBA fund was omitted and opening balance of Excess of income over expenditure is overstated by Rs.6.50 lakh.
AUDIT CERTIFICATE

I have examined the Receipt and Payment Account and Income and Expenditure Account for the year ended 31st March 1999 and the Balance Sheet as on 31st March 1999 of the Animal Welfare Board of India, Chennai. I have obtained all the information and explanations that I have required and subject to the observations in the appended Audit Report, I certify, as a result of my audit, that in my opinion, these accounts and Balance Sheet are properly drawn up so as to exhibit a true and fair view of the state of affairs of the Animal Welfare Board of India, Chennai according to the best of information and explanations given to me and as shown by the books of the organisation.
