IX ANIMAL BIRTH CONTROL PROGRAMME

The Municipal Corporations and local bodies in India have been catching and destroying stray dogs for many decades in order to solve the problem of stray dogs and prevent spread of rabies. However, neither the population of stray dogs nor the incidence of rabies had come down. Therefore the Board decided to take up the Animal Birth Control Programme as a long term solution to this problem.

The Animal Birth Control (ABC) Programme was launched as a Pilot Project in the six Metropolitan cities of Delhi, Mumbai, Calcutta, Hyderabad, Bangalore and Chennai in the year 1994 since the stray dog problem is most acute in these major cities.

The project involves catching of ownerless and abandoned dogs, conduct ABC operations and find homes/leave them in their original localities from where they were picked up.

The participating NGOs in the six metros were provided with adequate funds for building up infrastructure facilities as also for carrying out the ABC operations.

Dog Policy

The dog policy with which the AWBI had been struggling to save the dogs from brutal killing for several years have now got judicial recognition on account of the landmark judgement of Bombay High Court. The High Court has ruled that "No stray dog shall be killed as a rule, subject to the exception of critically ill, violent, fatally injured or rabid dogs...". (W.P.No.1596 of 1998 dated 5th October, 1998)

ABC Evaluation Study Report

The RSPCA, U.K. sponsored the ABC Evaluation Study and provided the necessary funds. The Tamil Nadu Veterinary and Animal Sciences University (TANIVAS), Chennai was entrusted with the assignment of studying and presenting a Report. The study was completed during the year under report.

As a result of the Evaluation Study, the experts have suggested the following improvements to be made:

- Uniform Dog Identification policy i.e., Tattooing, Ear NOTching or branding to be adopted. Branding is not recommended as the wound may not heal easily and quickly.
- Anti-Rabies Vaccine to be administered only at the time of relocation of the dogs after the post operative care period is over.
- Strict vigilance is to be exercised to prevent new and unoperated dogs entering the operation zone to fill the vacuum.
- A realistic estimate of the stray dog population is to be carried out in each city.
- Periodical inspection of the performing AWOs by the Board or preferably by an outside Agency to be undertaken.
- Research should be encouraged to develop suitable non-surgical alternative i.e. Chemosterilisation Agent.
- Maintenance of proper records and statistics by the AWOs to be improved.
- Specialist Training in ABC operations to be imparted to Veterinary Surgeons of the AWOs.
- Training for the Dog Catchers of the AWOs/Municipalities/Volunteers to be given for catching and handling the dogs more humanely.
- Networking between the AWOs and co-ordination between the AWOs, Municipalities and the Animal Husbandry Department to be improved.
- A campaign for the creation of public awareness by continuous publicity through different media to be undertaken by the NGOs.
Dr. Rajani Roy, Her Excellency the Governor of Pondicherry inaugurated Mobile van of the Pondicherry Prevention of Cruelty to Animals and Welfare Association, (PPCAWA) on the occasion of Animal Welfare Fortnight 2000. She is handing over the keys to Mr. M.V. Laxman, the President of the PPCAWA. Former Chairman and presently Member AWBI Lt. Gen (Retd) A.K. Chatterjee was present on the occasion.

The cases reported included cruelty to animals, cock fights, ox/bullock cart races, illegal slaughter of cows and buffaloes and bullocks, cruelty to elephants in festivals and by mahouts, illegal trade of birds, cruel killing and poaching of peacocks, killing of stray dogs, overloading of goats and sheeps and other animals, illegal smuggling and transporting of cattle, sacrifice of animals and birds in the name of religion, Mega Show of caparisoned Elephants etc.

Necessary steps were taken immediately to approach the District Authorities and other authorities concerned to take stringent action against the offenders. In many cases, the Board received feedback of the action taken by the authorities concerned to prevent the cruelty.
Cruelty to Performing Animals

Instructions were received from Smt. Maneka Gandhi Hon'ble Minister for Social Justice and Empowerment, that action should be taken against the Gemini Circus under the Prevention of Cruelty to Animals Act, 1960. The Circus was also using banned animals like lions, tigers, bears, etc. at the circus when they were camping at Chennai. A case was booked under the PCA Act 1960 and the circus company was levied a fine of Rs. 500/- by the Metropolitan Magistrate at Chennai in February 2000. Besides, a criminal complaint was lodged before the Metropolitan Magistrate who ordered police investigation and the cruel act of tiger riding a horse was stopped immediately. The Board intervened in the Writ Petition filed by the Gemini Circus Employees Union in W.P.No.258/2000. The Board had arranged relief work for animals in Orissa State which was affected by super cyclone and granted financial assistance to the tune of Rs.1.5 lakhs.
Judgement on Transport of Cattle

In the case of Akhil Bharat Krishi Goseva Sangh Vs. the State of Rajasthan and others (D.B. Civil Writ Petition No.6/2000 under Art. 226 of the Constitution of India), the Animal Welfare Movement has succeeded in the Rajasthan High Court in getting the permits issued for transport of more than 3000 cattle from Rajasthan to Bikaner, cancelled. The cattle were to go to Bangladesh. This was a token Public Interest Litigation of Medta, Rajasthan where a railway wagon was stopped and more than 3000 cattle were unloaded. The judgement is a landmark in as much as all the provisioins of the Rajasthan laws in this connection have been discussed and interpreted to the benefit of saving of the cattle from transport under the garb of agriculture.

A rescue operation was done by Shri Paramat Jain in Madya Pradesh State.

The Policy of making the cattle owners and cattle living economically self sufficient has also been drawn by the Board for using cow dung and urine and they are being encouraged with the offer of subsidy so that the sale of cattle for slaughter can be restricted and prohibited ultimately. The Cattle Policy was based on the concern of Smt. Maneka Gandhi, Hon’ble Minister of Social Justice and Empowerment, who emphasized the need to protect cattle from illegal slaughter particularly to the States where slaughtering is not prohibited. In this connection, Smt. Maneka Gandhi had written to the Hon’ble Chairman as under:-

“Dear Shri Lodhaji, you will remember that at the Prani Mitra Award ceremony, I had mentioned the problem of cattle being illegally transported by rail to West Bengal for the purpose of slaughter. There has been a suggestion about how we may tackle this problem. By now, there are AWBI recognized animal welfare organisations all round India. What we need to do is empower these organisations to physically check all cattle cargo (animals)
booked for transport. The railway officials have in turn given an assurance that they will make it binding upon Station Master not to accept any cattle cargo that has not been cleared by the concerned animal NGOs of that area. Until we can get a total ban on cattle transport by train, this is the most effective method to stop cattle being taken to their death. I would therefore, like to prepare a list of NGOs area wise all across the country and make out the required authorization under the valid AWBI provisions."

"Rishikesh Despande" System: A view of use of cow dung/cast as pesticides in Maharashtra

CONCLUSION

The Animal Welfare Board of India has completed 38 years of service for the promotion of Animal Welfare and Prevention of Cruelty to them. During the year under report the activities of the Board continued to be extended all over the country including Jammu Kashmir and the North Eastern States and even remote parts of the country. The Animal Welfare Organisations recognised by the Board were activated and the training courses were instrumental in propagating humane education.

The Animal Welfare Policy, the Dog Policy and the Cattle Policy had been finalised by the Board. The State Committees met periodically and followed up the implementation of the Policies of the Board resulting in a considerable augmentation of the animal welfare activities throughout the country.
With the increased allocation of financial grants, the Animal Welfare activities have been increasing consistently. We have no doubt that with increase in grants in future, the activities of the Board are bound to be more effective and the dumb friends of man, the animals, would get their due share in the years to come.

ANIMAL WELFARE BOARD OF INDIA

AUDIT REPORT ON THE ACCOUNTS OF THE
ANIMAL WELFARE BOARD OF INDIA, CHENNAI
FOR THE YEAR 1999 - 2000

1. INTRODUCTION

The Animal Welfare Board of India was constituted in 1962 in accordance with Section 4 of

The Board receives grants from Central Government for its various activities. During the year, the
Board received grants to the tune of Rs.515 lakhs (Plan - Rs.467.00 lakh and Non-plan - Rs.48.00 lakh).

As required in Rule 24(2) of the Animal Welfare Board of India (Administration) Rules, 1962,
as amended in 1963, the audit of Animal Welfare Board of India has been undertaken under Section
19(2) of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971.

2. COMMENTS ON ACCOUNTS

2.1 Balance Sheet

2.1.1 Obsolete Assets worth Rs.1.02 lakhs included in the Assets.

Assets like Monitor, Key Board, Modem and Stabiliser worth Rs.1,02,000/- which has become
obsolete is included in the Assets value exhibited in the Balance Sheet as on 31-03-2000. Thus
assets overstated by Rs.1,02,000/-.

2.1.2 Unspent grant from Ministry of Human Resources Development not disclosed.

- 2.50 lakh.

Animal Welfare Board of India, Chennai has received a special grant of Rs.5,00,000/- from
the Ministry of Human Resource Department in February 1997 for imparting value based education
on animal welfare. The grant was treated as income in the year 1996-97.

Out of this, the Board has so far spent Rs.2,50,000/- leaving an unspent balance for
Rs.2,49,998/-, which was not disclosed as liability in the Balance Sheet. Hence liability was understated
by Rs.2,49,998/-.

2.1.3 Discarded Assets removed from the Balance Sheet — Rs.1.47 lakh.

The Fixed Assets shown in the Balance Sheet exclude assets worth Rs.1,47,224/- which were
not physically present or in broken/worn out condition were removed from the value of assets of the
Board as on 01-01-1998 without orders of the Board. This is not in order.
ANIMAL WELFARE BOARD OF INDIA

2.2 Income and Expenditure Account

2.2.1 Overstatement of Income — Rs.30,540/-

An amount of Rs.30,540/- being the interest accrued on outstanding House Building Advance recovery from an ex-employee of the Board was treated as income in the Income and Expenditure Account. As there is a separate House Building Advance Fund, the interest accrued out of House Building Advance should be credited to the Fund Account only.

As a result, the income is overstated and House Building Advance Fund account is understated by Rs.30,540/-.

2.3 General

2.3.1 Utilisation Certificates not furnished to the Ministry

Animal Welfare Board of India has received grants to the tune of Rs.515 lakh (Plan grant - Rs.467 lakh and Non-plan grant - Rs.48 lakh) during the year 1999-2000.

The Board did not furnish the Utilisation Certificate to the Ministry for the grant received during the year 1999-2000 though the expenditure had been booked in Accounts.
