ANIMAL WELFARE BOARD OF INDIA

II. MEETINGS OF THE BOARD

During the year 2008-2009, meetings were held as per the details given below:

106th Executive Committee Meeting

The 106th Executive Committee Meeting of AWBI was held on 21st June 2008 at New Delhi. The important decisions taken at the Meeting are as follows:

Regular & ABC Grant

The approval for sanction of Regular Grant was given in principle subject to favourable inspection report. As per the decision of EC for the inspection to be conducted once in 2-3 years. The inspection reports received from January 2008 in respect of Central Sector Schemes can also be considered for verification of animal data for regular grant.

It was also decided that the AWOs having no animals with good inspection report can be considered for recognition by the Board but no grant will be released until such organizations start sheltering animals.

The Executive Committee has decided that for inspection with regard to Regular Grant, the inspection format is to be sent in advance to the AWOs for completing the information about the AWOs. The inspecting authority will make a surprise inspection of the AWO and give their comments/report on the duly filled forms and forward the same to the Board. Information of this decision be communicated to all AWOs.

Inspection of AWOs in respect of Regular Grant will be as follows:

The AWOs having animals up to 750
and eligible for grant up to Rs.1.00 lakh  Once in three years

The AWOs having animals from 751 to 3000
and eligible for grant from Rs.1.01 lakh to Rs.3.00 lakhs Once in two years

The AWOs having animals from 3001 onwards
and eligible for grant from Rs.3.01 lakh to Rs.5.00 lakhs Every year

The Members have pointed out some difficulties in carrying out joint inspection with the representatives of Forest Department and Animal Husbandry Department due to their non-availability at the time of visit of Members/Co-opted Members.

If the Animal Husbandry and Forests Dept. officials are not available for the joint inspections of AWOs, the following decisions to streamline the team inspection process of AWOs / NGOs, specifically for shelter and ambulance grant were made:

a) Inspection by two co-opted members jointly is acceptable.
b) Inspection by one co-opted member and Sarpanch of the village where AWO is located is acceptable.

c) Inspection by single Board member is acceptable.

d) Inspection by one co-opted member and one Animal Husbandry or one Forest officer is acceptable.

However, inspecting agency should furnish all relevant details and thoroughly check the documents & accounts as AWBI processes and releases grants to NGOs only on the basis of Inspection Reports.

The EC decided that processing of applications for Regular Grant and ABC grant should be an ongoing process. Regular grants and ABC grants to AWOs be released on a fortnightly basis on getting approval of Chairman. After approval of Chairman, list of NGOs with details of grants approved be circulated to all Executive Committee and Board members for information. The same can be ratified later in EC meeting.

Shelter Grant

It was also decided by the EC that the approval for Shelter Grant will be as per the following criteria based on the number of animals sheltered by the AWO.

**Rupees in lakhs**

The above grant is excluding 10% share of AWO. The above proposals were still yet to be implemented for want of approval from Ministry.

Ambulance

The Board has decided that for the time being the proposals under Ambulance Scheme will be kept pending till the EC decides about the modalities and types of vehicles to be purchased as an ambulance viz. Maruti Omni for small animals and TATA 407 for large animals. The above proposal has been referred to the Ministry for approval.

Natural Calamity

In order to provide timely help under Natural Calamity grants to AWOs EC decided that AWO's request for Natural Calamity Grants in prescribed applications duly recommended by a board / Co-opted Member of the area / District authorities be put up to Chairman for approval.
for release of funds. An undertaking from the AWO requesting for Natural Calamity grant will be obtained stating that the AWO will be responsible for providing AWBI all other necessary documents required for completing the formalities of sanction failing which they have to return the grant. The copy of sanctioning letter of natural calamity grant be circulated to all EC members for their information. On getting Chairman’s approval the natural calamity grant will be released to the NGO/AWO for providing immediate relief. Rest of the paper formalities can be completed by the AWO afterwards, as no useful purpose is served in releasing the grant several months after the natural calamity has occurred.

The Executive Committee Members noted the matter regarding the Participatory ABC programme in Delhi. MOU is to be signed by the MCD/Society and the Board for implementing ABC programme in Delhi, through the Society. The Executive Committee approved the release of ABC grant to Society after signing of MOU.

The Executive Committee decided that Sarpanch/Pradhan of Gram Panchayat can also be included in the team for inspection of Shelter & Ambulance in the event of non-availability of Senior Government Officials.

The Executive Committee directed that the Evaluation Report of TANUVAS should be referred to and wherever adverse remarks and suggestions for improvement of infrastructure facilities etc are made in the report, the same are to be taken in to account immediately. Concerned AWOs on whom directions for improvement are made, be communicated about the comments of TANUVAS and further grants to these AWOs be considered only on verification of compliance of improvements required. No grant to be sanctioned to the AWOs which have been adversely reported upon by TANUVAS till completion of desired improvements have been inspected and verified. The AWOs be informed accordingly.

Chairman informed EC about the workshop conducted at AWBI HQ in Chennai on Standard Operative Procedures (SOP) on ABC. It was decided that on finalization, the recommendations of the workshop be circulated amongst the AWOs who are doing ABC programme (without the recommendations regarding the enhancement of ABC rate), whilst the recommendation regarding the enhancement of ABC rate be forwarded to the Ministry for approval.

107th Executive Committee Meeting

The 107th Executive Committee Meeting of AWBI was held on 9th August 2008 at New Delhi. The important decisions taken at the Meeting are as follows:

The Executive Committee decided that one time inspection be done for all the recognised AWOs before sanction of Regular Grant for the year 2008-09. If the representatives of Department of Forests and Animal Husbandry are not available for inspection, the reports of Co-opted Members will be accepted.

The inspection authorities were requested to complete the inspection of AWOs and submit the inspection reports by 15th of September 2008. The grants be sanctioned & released on receipt of favourable inspection report as and when received.
The Executive Committee considered the adverse reports and decided that time bound show cause notice be sent to AWOs for de-recognition except for one organization namely Vishwa Bharati Shiksha Sansthan, Rohtak, Haryana (HR204/2006) for which re-inspection has already been conducted and inspection report received from co-opted Members. It was also decided that the SPCAs mentioned in the list of derecognition be asked to improve their working and they should be encouraged by the Board by helping them to carry out animal welfare activities. No useful purpose will be served to de-recognise them at this stage.

The Executive Committee decided that to ensure full accountability in the ABC/AR Programme, the Board should insist on organ count by Member/Co-opted Member and local Veterinary Officers or Local Body officials jointly. The AWOs should be asked to preserve the organs (testies and ovaries) for two/three months for counting by the team and their destruction will be done in the presence of the team members.

108th Executive Committee Meeting

The 108th Executive Committee Meeting of AWBI was held on 30th October 2008 at New Delhi. The important decisions taken at the Meeting are as follows:

The Executive Committee approved and ratified the adoption of implementation of VIth Central Pay Commission Rules, 2008 for all the staff members of AWBI for fixation of pay and payment of arrears w.e.f. 01.01.2006.

The Executive Committee discussed about the inspection of AWOs under Shelter Scheme and it was decided that a joint inspection be conducted after completion of Shelter project to verify the proper utilization of grant by the AWO. The accounts be settled only after receipt of third inspection report along with documentary proof and photographs of the completion of project.

The Executive Committee discussed the matter and decided that the method of counting the genital organs for verifying the number of dogs operated in the ABC/AR Projects of AWOs/NGOs jointly by Member/Co-opted Member of the Board and representative of the local bodies on periodical basis can be adopted only in the Metros on pilot basis. The AWOs conducting ABCs in the smaller cities are to be informed to submit the copy of vouchers/cash bills of purchase of ARV, suture materials and Anaesthetic medicines during the period along with the Utilization Certificate and sterilization certificate for confirmation of number of dogs sterilized by them.

Time to End Human Aggression to Stray Dogs

Maj. Gen. (Retd.) Dr. R.M.Kharb, AVSM, Chairman, AWBI was the Chief Guest for the launch of Shri Hiranmay Karlekar's latest book titled, "Savage Humans and Stray Dogs: A Study in Aggression" published by Sage Publications. The launch event took place on September, 10th 2008, at India Habitat Centre, New Delhi.

Shri Karlekar's book is an investigation into the mass killing of dogs that took place in Bangalore last year. It may be noted that Bangalore has a successful ABC Program in place, with not a single human death from rabies being reported from the city in the past three years. This in turn has led to a significant reduction in the purchase of anti-rabies vaccines from hospitals under the Bruhat Bangalore Mahanagara Palike. The book examines and exposes the politics and the plot behind the killings. The book also deals with the subject of 'human aggression', exploring it in depth, and finally concludes with effective steps that can be taken to eradicate it.

National Seminar for Making Goshalas Economically Viable

A National Seminar on "Making Cow & Goshalas Economically Sustainable through Dry Dairying" was held from 29-30th November, 2008 at Shri Krishna Gauseva Sadan, P.O Chakki Dadri, Dist: Bhiwani, Haryana. The Seminar was attended by Gaushala Managers, workers, Scientists and NGOs. The seminar provided a platform for the policy makers to share expertise in the different fields related to the goshalas for making the goshalas self-sustainable and recognized institutions.

Vets Should Be More Active in Animal Welfare

A remarkable initiative has been taken by the Chairman, AWBI for introduction of 'Animal Welfare' as a separate subject in the curriculum of veterinary students studying in veterinary colleges in India. On December, 13th, 2008, Gen. Kharb, delivered a keynote address on the topic of 'Animal Welfare in Education: System and Practice' at the two days National Seminar on 'Strategies for Strengthening Veterinary Education and Practice' organized by the Veterinary Council of India in Hyderabad. Some excerpts from the Keynote address is as below:

Veterinarians are obligated morally, ethically and professionally to address the pain and suffering of animals and also to promote the welfare concerns of all animals. Veterinarians in India have a much greater role to play since India is home to the world's largest population of cattle, buffaloes, sheep and goats. Having been trained in the knowledge of the art and science of healing animals, veterinarians are duty bound to ensure that the most humane treatment is given to animals while handling them, be it for transportation, treatment and even for slaughter. Animal welfare issues are involved in the intensive systems of production of animals for food. This is the field where the maximum cruelty to animals occurs. Several developed countries have opted to phase out the intensive animal production systems. This obligation of Veterinarian can only be fulfilled if veterinarians are sensitized to these issues and animal welfare is integrated in their training and practice.

It is important that a holistic approach that integrates key issues relating to ecology, biodiversity, environment, sustainable development and lifestyle issues like benefits of
vegetarianism are woven into the animal welfare curriculum. This is because without a good understanding of these factors, it is not possible to truly understand why and how issues of animal welfare are of such great concern, not just within the perspective of animal welfare but also within the larger landscape of global poverty, deforestation, global warming and climate change, depleted soil fertility and contaminated water tables, environmental pollution and increased energy consumption. From the human health perspective, the spread of zoonotic diseases, rise in cardio-vascular diseases, obesity, diabetes, arthritis and cancer are deeply rooted in food habits that are predominantly meat based.

This is an area that veterinary students must be given a clear grounding in, because food choices and issues of animal welfare are closely related with the occurrence of chronic diseases in humans. Introducing veterinary students to the key issues concerning eco-system health as well as wildlife welfare is especially important, because of the emergence in recent times, of several deadly diseases like SARS, HIV, Ebola virus, monkey pox, West Nile virus, Lyme disease and Avian Influenza and Swineflus have caused havoc among human populations.

A problem that besets the teaching faculty in veterinary institutions is the critical shortage of veterinarians in academics who have sufficient expertise in the science of animal welfare. We must develop a system of rapidly building skills for large numbers of our veterinary faculty so that they can develop competency in the field of animal welfare. Besides creating systems for online education, world renowned experts in the field of animal welfare may also be invited to conduct training programmes on animal welfare for veterinary faculty in India. The 'Concepts in Animal Welfare' curriculum developed by WSPA and the University of Bristol is an effective teaching tool that may be explored and adapted for use in the animal welfare syllabus of veterinary colleges in India. The syllabus includes 7 core and 23 elective modules that include a wide range of animal welfare issues.

Another issue that needs to be addressed is the increasing division of opinion between what constitutes humaneness between vets who treat farm animals and poultry and those who treat companion animals and equines. A much greater sensitivity to issues of pain among small animal practitioners has been noticed whereas a similar consideration has not been given to both large animal vets as well as vets who work with poultry. Such issues should be resolved by adopting and implementing guidelines and adopting SOP on pain management.

**Board Aims to Scale Up Humane Education Work**

On December 8th and 9th, 2008, the Board organized a Humane Education Workshop at the Board’s Headquarters in Chennai. The objective of this workshop was to create a comprehensive educational tool kit that can be used by School and College Teachers, Master Trainers, Police Personnel, Selected Media experts and Animal Welfare Activists to sensitize and educate the community on key issues pertaining to cruelty to animals in India.
ANIMAL WELFARE BOARD OF INDIA

The Workshop focused on developing educational materials to inform and sensitize different target groups in areas relating to enforcement of Animal Welfare Laws, Animal Behaviour, Care and Management, Illegal Transportation, Factory Farms & Slaughter Houses, use of Animals in Entertainment, management of Gaushalas & Panjrapoles, care of Wildlife and Zoo Animals and alternatives to use of Animals in Research. The Workshop was chaired by Maj. Gen. (Retd.) Dr. R.M. Kharb, AVSM, Chairman, AWBI.

He stressed an urgent need for the Board to create awareness about animal welfare and focus on conducting Training Programmes. During the workshop, Presentations were made by Smt. Amala Akkineni, Member, AWBI and Founder, Blue Cross of Hyderabad, Dr. Nandita Krishna, Hon. Director, CPREEC, Dr. Nandita Shah, Founder, SHARAN, Shri Hiranmay Karlekar, Consultant Editor, Pioneer and Member, AWBI and Shri N.G. Jayasimha, Coordinator-Campaigns and Legal Affairs, PETA India. Valuable inputs were given by Board Members Dr. Mohd. Saleem Aslam and Shri Doulat Jain and Dr. S. Chinny Krishna, Co-Founder, Blue Cross of India.

Recommendations for Humane Education

- Preparation of customized Humane Education Trainer's Kit for the Trainers to carry out Training Programs for the following 8 different target groups: School & College Students, Concerned Citizens, Government Officers, Scientists, AWOs and Animal Welfare Activists, Police and Judiciary, Slaughterhouse, Transportation and Livestock Market Personnel, Veterinarians and the Media. Components of the Humane Education Kit for different target groups would include films, handbooks, posters, pamphlets and presentations.

- Organize Training Programs for Master Trainers in Each Target Group by selecting suitable candidates for undergoing the Board's Humane Education Training Program.

- Create systems of effective monitoring and training for HAWOs to whom cards have already been issued. The HAWOs need to be asked to submit quarterly reports. A system of careful screening should be set in place. The ID Cards issued to HAWOs who are not working actively and who are misusing the card should be revoked by the Board.

- Communication to be carried out with the Ministry of Human Resources & Ministry of Education for integration of animal welfare concepts and customized curriculum in the school & college syllabus. Every state should ask their State Department of Education to include Animal Welfare in their Environment Education Curriculum.
• A proposal should be made to the Ministry of Environment & Forests to carry out a National Environmental Awareness Campaign (NEAC) with the theme of 'Animal Welfare' for the next two years beginning April 2009. The Board should be ready with the relevant educational material for integration into the school and college curriculum at the all India level.

• College Activism is the key to animal welfare activism. If animal welfare training can be a part of NSS Training Programmes, that would represent a huge population of youth volunteers. A proposal should be given to the Ministry of Education to include Animal Welfare as part of NSS Training Programs for school and college students.

• It was decided that the Board should start an Animal Welfare Blog. This can provide a low cost and powerful communication medium to reach out to the youth and communities across the country.

• The Board should conduct intensive 2 day Training Programmes for Transportation and slaughterhouse personnel and this should be given high priority in the Humane Education Training Program conducted by the Board since the maximum cruelties happen to animals in the slaughterhouses. Initially, a State level workshop for the four southern states of Tamil Nadu, Andhra Pradesh, Kerala and Karnataka may be organized. This can be scaled up and used for all the states in the country. Adequate systems for inspections, rewards and punishments should be set up in place to monitor the effective implementation of the Training Programmes for the slaughterhouse and transportation personnel.

• Responsibility should be fixed on key individuals who should be appointed by the Board and made accountable at all levels of the farm animal chain – from ensuring humane rearing of farm animals to humane transportation, humane handling at the markets to humane slaughtering so that proper systems for enforcement are set up in place throughout the process.

Board's National Rally - A Huge Success

During Animal Welfare Fortnight, the Board organised a National Rally for Animal Welfare which was flagged off by Shri Namo Narain Meena, Hon'ble Minister of State, MoEF. The Rally covered Delhi, Uttar Pradesh, Rajasthan and Haryana and drew an excellent response from the community. During the fortnight, a distance of 3500 kilometres was covered and large placards were placed in 30 places on the route. From Delhi to Ghaziabad, Noida, Faridabad, Narnaul, Hasnupur and Hodel to Rewari, Jaipur and Ajmer, the Rally covered all the major cities and towns in UP, Rajasthan and Haryana.

To create mass awareness and sensitize the public about the cruelty that animals undergo, the Board distributed one lakh posters and thousands of stickers. Going by the distribution of posters alone, if the figures are looked at (assuming that the message on each poster is read by at least 10 people), it is likely that the message of Ahimsa and Compassion to Animals was communicated, to at least one million people.

Meetings were organized with Senior Police Officers and the Collectors of several Zillas and awareness was created through banners and large placards placed in their offices. Lectures were organized in Schools, Colleges and Universities and thousands of posters were distributed among the youth to spread the message of 'Compassion to Animals'.
Special Press Conferences were organized in Delhi, Panipat, Faridabad, Nooh, Rawari, Narnaul, Jaipur, Ajmer and Pushkar and widespread publicity was given through good coverage of the events in all major newspapers of the region. Besides, the television coverage of the events, especially in Rewari and Ajmer, contributed to increased public awareness.

During the Rally, visits were made to nearly 30 Gaushalas, several SPCAs and Animal Welfare Organizations and thousands of people volunteered their resources by organizing Animal Health Camps, Exhibitions, Public Meetings and Lectures in important city centers, thus making the Rally a huge success.

During the Road Rally, wherever, overloaded bullock carts, donkeys and horse carts were seen, they were stopped on the way, the extra load was removed and the offenders were booked at the nearby Police Stations. All stray cattle that were spotted on the route were transported to the nearest Gaushalas.

At several places on the way, large ‘Nukkad Gatherings’ for public assemblies were held and awareness was created about the cruelties suffered by animals and the need to be compassionate to animals. Besides, awareness was also created about the generation of biogas and electricity from cow dung, the role of Panchagavya based cow products like Cow urine Arka and Panchagavya based therapies for treatment of animal and human ailments.

Mass awareness was also created about the need to be alert to the risk of terror threats caused by the illegal transportation of cattle. People were cautioned to be alert to the fact that the illegal transportation of cattle had now emerged as a 15 000 crore rupees business that was fueling a terror network across the country.

X. ANIMAL BIRTH CONTROL PROGRAMME

Free ABC Training Programs

To build the capacity of veterinarians involved in ABC projects, the Board in collaboration with the Animal Welfare Division of MoEF, NIAW and an Australian NGO, Vets Beyond Borders conducted three week Training Programmes for a period of 6 months beginning February, 2009. Called Project Vet-Train, the first Training Programme commenced on February, 4th, 2009 while the last session concluded on July, 18th, 2009. Veterinarians attended the full training course were trained in surgical protocol of Spay / Neuter surgery along with pre and post operative management.

The Training Programme provided an excellent opportunity, specially for young veterinarians who are working with NGOs / AWOs in ABC programs to refine their surgical skills. The Training Programmes was provided free of cost to all in order to improve the quality of veterinary care and management provided to the stray dogs in the ABC Programmes. Veterinarians, para-vets, from registered Board recognised AWOs in the country, Municipal Corporations and State Animal Husbandry Departments participated in the training programme.
BCI Sets World Record for ABC

Blue Cross of India (BCI), Chennai has been included in a list of major environmental achievements of the world on the website of Radford University in Virginia in the United States. With the gradual increase in allocation of financial grants, the Animal Welfare activities have been widened consistently. We have no doubt that with higher allocation of grants by the Board, the spreading of the message of Love and Compassion towards the animal kingdom is bound to be more effective thereby reducing and mitigating their misery and suffering.

The following is the Note that has been published about Blue Cross of India:-

1959 — Formation of the Blue Cross of India. Co-founder, Dr Chinny Krishna in 1964 introduced the first neuter/return program for street dogs in the world, which he called “ABC,” short for “Animal Birth Control.” In 1997 the Indian government accepted the recommendation of the Animal Welfare Board of India that ABC should become national policy, and endorsed the goal of abolishing animal killing throughout India by 2005.(M. Clifton, 2007).

XII. LEGAL CASES

1. W.P. No. 44/2004: PeTA Vs Union of India in the Hon'ble Supreme Court of India at New Delhi

Implementation of PCA (Slaughter House) Rules, 2001

People for Ethical Treatment of Animals, Mumbai, filed a W.P. (Civil) No.44/2004 in the Supreme Court regarding implementation of PCA (Slaughter House) Rules 2001. The Animal Welfare Board of India was one of the Respondents for this writ petition. The Writ Petition was an appeal to the Supreme Court to issue direction to all State Governments to constitute SPCAs in each District and for proper implementation of Transportation Rules and Slaughterhouse Rules such as slaughtering of animals in licensed / recognized slaughterhouses only. Proper implementation of the Slaughter house Rules would ensure that animals are not slaughtered in the presence of one another and pregnant or nursing cows with calves are not slaughtered.

PeTA had further sought in their prayer that AWBI should nominate persons and / or AWOs under Rule 9 of the PCA (Slaughter House), Rules 2001 to check illegal Transport of Cattle by rail, road or on foot and to inspect the Slaughter houses in their respective districts and to submit reports.

The Supreme Court directed the Board on 8/5/2006 to appoint 2 representative from SPCAs / AWOs to inspect Slaughter houses in Tamil Nadu State and file the reports within three months. Accordingly, the Board nominated the Vellore SPCA and Govardhan, Chennai for inspecting 28 slaughter houses from 21st June to 31st July 2006 and furnish reports to the Board for filing before the Supreme Court. Subsequently, the Board submitted the inspection report in the Hon'ble Supreme Court.

The Hon'ble Apex Court has directed AWBI to inspect the slaughter house of the States of Kerala and Karnataka within three months in its order dated 13.10.2007. The AWBI constituted a three Member Committee comprising Shri S.K.Mittal, Member, AWBI along with a representative of an organization called Compassion Unlimited Plus Action (CUPA), Bangalore and one Government official of the State of Karnataka from 25th December, 2006 to inspect the Slaughter houses of Karnataka. The inspection team visited slaughterhouses in 27 districts of Karnataka and completed the inspections on 24.01.2007.

The inspection of slaughter houses in the state of Kerala was conducted from 05th January, 2007 and the inspection was completed on 08.01.2007, and the inspection team visited 31 slaughter houses situated in 11 districts of Kerala. The inspection report of Kerala and Karnataka was filed in the Supreme Court on 15.2.2007.

Further to the above, the Hon'ble Supreme Court has directed the Board to re-inspect the slaughter houses of Tamil Nadu vide order dated 8.12.2007 and to submit the compliance report. The Board has taken steps to carry out the inspections. Late Dr. V.N. Appaji Rao inspected 6 slaughterhouses in Tamil Nadu during the period 18.8.2007 to 24.08.2007 and Shri V. Balasubramanian, Hony. Animal Welfare Officer along with the representatives of SPCA Vellore, SPCA Salem, SPCA Coimbatore, SPCA Tirunelveli conducted the inspections of Municipal Slaughter Houses to ascertain the status of slaughter houses from 03.09.2007 to 11.09.2007 and submitted the report to the Hon'ble Apex Court. The case came up for hearing before the Hon'ble Apex Court and upon hearing the case it has issued an order dated 27.8.2008 which is extracted hereunder:
“Learned counsel appearing for the petitioner—People for Ethical Treatment of Animals, an organization working for the welfare of animals, submitted that, despite the provisions contained in Rule 3 of the Prevention of Cruelty to Animals (Establishment and Regulation of Societies for Prevention of Cruelty to Animals Rules, 2001), the S.P.C.As are not formed in every district managed by the Animal Welfare Board and it is stated that as the S.P.C.As are not formed, they are not able to have the inspection of the slaughter houses in various parts of the country. It is also stated that the Rules for establishment and maintenance of slaughter houses are not being implemented strictly by the slaughter houses. The Animal Welfare Board is directed to file an affidavit within three weeks as to what steps are being taken in this regard.”

In view of the above directions of the Hon'ble Supreme Court of India, the Animal Welfare Board of India has filed its Affidavit in the above case on 27.9.2008 and the case was posted for hearing on 30.9.2008 and it was adjourned for hearing without mentioning any date.

The case is still pending in the Hon'ble Supreme Court of India for next hearing.

Ban on Camel Sacrifice

The Prani Mitra Sansthan, an animal welfare organization in Jodhpur has filed a Public Interest Litigation against the Union of India in the High Court of Rajasthan, Jodhpur Bench requesting for a ban on camel sacrifice. The Board is not cited as Respondent in this case. However, since the Petitioner has sought the Court for declaring that under Sec. 28 "Nothing
ANIMAL WELFARE BOARD OF INDIA

contained in this Act shall render it an offense to kill any animal in a manner required by the religion of any community" of the PCA Act, 1960 unconstitutional, the Board has impleaded itself in the case. 4. S.L.A.(C) No.21747/2007 – Indian Motion Pictures Producers Association Vs Union of India & Others in the Hon'ble Supreme Court of India at New Delhi

Special Leave Appeal by Indian Motion Pictures Producers Association

Indian Motion Pictures Producers Association had filed a ‘Special Leave Appeal’ in the Hon'ble Supreme Court of India against the Union of India and others. The AWBI is the Respondent No.3 in this case. The petitioner prays to restrain AWBI from enforcing the order dated 22nd August, 2005 and acting in furtherance of the order passed by the High Court of Bombay in PeTA, India Vs Indian Motion Pictures Association case. The Petitioner has further prayed to grant special leave to appeal against the final order dated 5.3.2007 of the High Court of Bombay in Notice of Motion No.36 of 2007 in Writ Petition (PIL) No.2713 of 2005.

Final Order:

The case came up for final hearing before the Hon'ble Apex Court and upon hearing the case it has issued order dated 20.3.2009, which is extracted hereunder:

"The petitioner is the Indian Motion Pictures Producers' Association. The petitioner herein contends that the Animal Welfare Board of India has got no authority to issue the certificate of Registration as it is not empowered under the relevant Act/Rules. It is appropriate to notice that the Central Government has empowered the Animal Welfare Board of India as 'prescribed authority' for registration under the Performing Animals (Registration) Rules and further it is supported by the fact that during the period from 2001 and 2009 the Animal Welfare Board has issued 'No Objection Certificates' to more than 600 films. Therefore, we do not find any reason to interfere with the impugned order."

Accordingly, the Special Leave appeal was disposed of.

   W.P.No.5334/2007: Ayurvarta Prabodhini Vs State of Maharashtra & Others

Implementation of ABC / AR Programme for Stray Dogs

The Board was cited as the 5th Respondent in this case. The Petitioner has prayed for a direction from Mumbai High Court to quash and declare unconstitutional Section 11 (1) (3) (b) of the PCA Act, 1960 which states that, “nothing in this Section shall apply to destruction of stray dogs in lethal chambers”. The Board has filed a detailed affidavit in respect of the case requesting the Hon’ble Court to give directions to implement the Animal Birth Control (Dog) Rules, 2001 and carry out intensive ABC / AR programme.

The Municipal Commissioner of Greater Mumbai has been asked to constitute a Monitoring Committee under Rule 4 of the ABC (Dogs) Rules, 2001 for implementation of the said rules. Six sub-committees for the city of Mumbai should be constituted, which shall be responsible for proper planning and management of the dog control programme in accordance with Rule 4 of the ABC (Dogs) Rules, 2001. The Municipal Corporation should ensure that there are 5 dog vans in all the areas to catch and implement the ABC / AR Program for the stray dogs. The Municipal Commissioner should ensure proper removal of garbage in all areas and strict enforcement of ‘no feeding to the stray dogs’ in public places. All the above Rules should also be implemented by the State of Goa and the Chairman of the Municipal Council shall be responsible for implementation of the aforesaid directives.

Summary of the final Order

A three-judge constitutional bench of the Hon’ble High Court of Bombay in its final order dated 19.12.2008, had issued an Order proclaiming that “nuisance dogs” could be eliminated. This order was issued based on the Section 191-BA of Mumbai Municipal Corporation Act, which confers powers upon the Local Authority to capture dogs. Sub-section (1) and (2) of Section 191-BA specifically provide that if any dogs are found or reported to be a source of “nuisance” to the residents of any building or locality, the Commissioner or any person duly authorized by him may enter any premises for the purposes of seizing such dogs. After having
seized such dogs, the Municipal Authority is expected to keep the dogs in municipal kennel and if any person, within three days from the date of such seizure, satisfies the Commissioner that his is the owner or person in charge of such dog, the Commissioner may order it to be delivered to such person on payment of the tax, if any, due and costs incurred by the Commissioner by reason of its detention and on such person giving an undertaking that the dogs will thereafter be kept in accordance with the conditions of the licence and will not be a source of nuisance to the residents or building or locality. However, if, within the said three days, no person satisfies the Commissioner that he is the owner or person in charge of the dog, as aforementioned, the Commissioner "may" cause the dog to be destroyed. The above Verdict, however, has been stayed for six weeks, and no dogs will be killed until then.

The AWBI has taken an initiative to appeal against this order and filed a Special Leave Petition in the Hon'ble Supreme Court of India against the Order dated 19.12.2008.

8. W.P.No.691 of 2009 : Animal Welfare Board of India Vs P.E.S.T & others in the Hon'ble Supreme Court of India at New Delhi

Ban on killing of stray dogs

The AWBI has challenged the Order dated 19.12.2008 issued by the Hon'ble High Court of Bombay in the Stray dogs case in which the Commissioner or any person duly authorized by him may enter any premises for the purposes of seizing such dogs which are termed as "nuisance dogs". After having seized such dogs, the Municipal Authority is expected to keep the dogs in municipal kennel and if any person, within three days from the date of such seizure, satisfies the Commissioner that his is the owner or person in charge of such dog, the Commissioner may order it to be delivered to such person on payment of the tax, if any, due and costs incurred by the Commissioner by reason of its detention and on such person giving an undertaking that the dogs will thereafter be kept in accordance with the conditions of the licence and will not be a source of nuisance to the residents or building or locality. However, if, within the said three days, no person satisfies the Commissioner that he is the owner or person in charge of the dog, as aforementioned, the Commissioner "may" cause the dog to be destroyed.

The AWBI organized a National Level meeting to clarify the definition of the term "nuisance." This meeting was widely attended by the officials from the various ministries, Municipal corporations, Experts in the Veterinary Science, Veterinary Council of India and others. It was decided that the responsibility for identification of dogs in "nuisance" category be vested with the Monitoring Committee defined and set up under the ABC Rules and not with the Municipal Commissioner alone. The Hon'ble Supreme Court was pleased to stay the order of Hon'ble High Court of Bombay. The case is pending for hearing in the Apex Court.

W.P.No.508/2002 – Sujoy Chaudhari Vs Union of India and Others

Cruelty to Stray Animals (Dogs / Monkeys / Cattle)

Ms Geetha Seshamani, New Delhi filed a writ petition No.440/2000 in the Supreme Court regarding implementation of provisions of PCA Act, 1960 and also regarding the cruelty to stray animals (Dog / Monkey / Cattle). Sujoy Chaudhary, New Delhi filed another writ petition No.508/ 2002 in connection with the above case. In this case, AWBI is one of the Respondents.
Court Judgment

The Hon'ble Supreme Court issued directions on 17.3.2005 to all State Governments to file their responses to the above petitions as well as the affidavit filed by AWBI regarding the implementation of the proposed action plan. While, some states have filed the response, many states have yet to file their responses. The matter was last posted for hearing on 27th April, 2007, but it was adjourned.

This writ petition has been filed by the petitioner alleging that the provisions contained under the Prevention of Cruelty to Animals Act, 1960 are not fully implemented by the various States. All the State Governments were impleaded as party respondents and some of the States have filed their responses.

The main grievance of the petitioner is that in many States the State Animal Welfare Boards are not constituted and, therefore, implementation of the provisions of the Act and the Rules are not done effectively. It is also pointed that the Animal Welfare Boards in the States are not taking effective steps to establish Societies for prevention of Cruelty to Animals (SPCAs) in every district as contemplated under Rule 3 of the Prevention of Cruelty to Animals (Establishment and Regulation of Societies for Prevention of Cruelty to Animals) Rules, 2001. Some of the States have submitted that they have filed a statement to the effect that these SPCAs had already been constituted in all the States.

The Hon'ble Supreme Court has directed all the States, which have not constituted the State Animal Welfare Boards to constitute within a period of three months and also to see that the Society for Prevention of Cruelty to Animals (SPCAs) be also constituted in every district as contemplated under the Rules. A copy of this order be sent to the Chief Secretary of all the States to do the needful.

The Apex Court has directed the Government of Delhi that a sum of Rs.1,11,363/- which is lying in F.D.R. may be made available to the Delhi State Animal Welfare Board as and when the same matures. The writ petition no.508 was disposed of.

The case W.P.No.440/2000 is still pending for hearing.

10. W.P.352/2007: Court on its own motion Vs. State of Punjab and Others in the High Court of Punjab and Haryana at Chandigarh

The case was taken as a suo-moto notice of motion issued to the States of Punjab & Haryana and Union Territory of Chandigarh to file the responses against the news item published in the newspaper in the stray dog bite case. The Board has impleaded in the above case and prepared a detailed affidavit which was sent to the Advocate and Counsel of the Board at Chandigarh to file the affidavit in the Hon'ble High Court. The case was listed on 18th August, 2008 and it is still pending in the High Court of Punjab and Haryana at Chandigarh for hearing.

11. W.P.427/2007::Krishna Bhat Vs State of Karnataka & Others in the Hon'ble High Court of Karnataka at Banglore

ANIMAL WELFARE BOARD OF INDIA

W.P.4920/2007: George Mathews & Others Vs. Union of India & Others
W.P.501/2007: Karnataka Hon'ble Lokayukta Vs. CUPA & Others

Implementation of ABC Rules and Municipal Solid Waste Rules

The Board cited as 4th Respondent in this case. The Petitioner has prayed for a direction of High Court of Karnataka at Bangalore to issue an appropriate writ order or direction to declare that the provisions of Rule 7 of the Animal Birth Control (Dogs) Rules, 2001 are unconstitutional and to issue an appropriate writ or order or direction directing the second and third respondent to comply with the provisions of Municipal Solid Waste (Management and Handling) Rules, 2000. A case was also filed against the brutal killing of stray dogs. Shri S.R. Sundaram, Legal Advisor, AWBI is representing the case. The case is pending for final hearing.

12. W.P.11686/2007: Animal Welfare Board of India Vs. A.Nagarajan & Others in the Supreme Court of India

Jallikattu:

The Board has filed an Affidavit in the Supreme Court of India against the order passed by the learned Judges in the Jallikattu Case. The Board’s counsel in the matter was Shri Sunil Jain, Advocate, New Delhi. The Petition clearly proves that Section 11 of the PCA, Act had been violated during Jallikattu events conducted in Tamil Nadu. The bulls that are involved in Jallikattu suffered severe and avoidable pain, bleeding injuries from the nasal region, mouth, eyes and ears due to the beatings, kicks and brutal torturing by the men who participated in this event. Jallikattu as exhibited involves the men or the individual holding the hump of the animal or twisting and turning the horn and the tail. The bull suffers excruciating pain and severe injury during this process and thus the entire Jallikattu event is a direct contravention and blatant violation of Section 11 of the PCA Act, 1960. Hence, the Board appealed to the Supreme Court that Jallikattu be stopped and banned all over the Country since the bulls are made to suffer the inflictions of severe injuries.

Court Judgment

The stay order was granted by the 3-judge division bench of the Supreme Court on the ‘Jallikattu’ issue on 27.07.2007. This matter was again brought up for hearing on 11th January, 2008 and was heard in detail. The Supreme Court issued a ruling stating that, ‘We are not inclined to vacate the stay. Accordingly, applications for vacating stay are dismissed. However, we make it clear that if there is any Rekla Race (Bullock Cart Race), it is permissible under the supervision of the Police and the District Administration and sufficient protection should be given to the public. But there shall not be any physical confrontation between bullocks and human beings’. However, this matter again was again appealed to by the Government of Tamil Nadu for considering the modification of the Court’s order dated 11.1.2008. It was pointed out that Jallikattu is a part of the religious festival of Pongal and villages have been celebrating the same from time immemorial. It was submitted that extreme care and precautions will be taken by the District Authorities and no harm or injuries would be caused to the citizens, spectators, participants or the animals.

The Supreme Court issued an order directing the State to ensure that the guidelines are fully followed such as organizing for double-barricading, providing for a spectators gallery and
ensuring that the number of participants do not exceed limits to prevent collapse of the gallery or barricades.

**Guidelines issued by the Supreme Court for the conduct of ‘Jallikattu’**

- Any organization or group intending to conduct Jallikattu must inform the Collector of the respective district or the Deputy Collector of the sub-district at least three days prior to the events and secure his permission.
- The district administration must take all precautions to ensure that the animals are not tortured or subjected to cruel treatment. They must also take necessary steps for the safety of the spectators and participants.
- The Collector or Deputy Collector, as the case may be, shall on grant of permission for any Jallikattu event, inform the branch of the Animal Welfare Board in the district concerned, well in advance, about the event.
- The concerned District Collector shall also extend co-operation to Doordarshan and the Animal Welfare Board to videograph the event.
- After the event is held, the concerned Collector should give a Report within a period of two weeks to the Court.
- The passageway through which bulls will pass through must have a double barricade to prevent injury to spectators.
- Spectator’s gallery must be made strong and secure.
- Number of occupants in the gallery must not exceed prescribed limits. Safety certificate should be obtained from the local Public Works Department.
- The persons who wish to bring their bulls for participation must obtain prior permission and the organizers must take care to ensure that the bulls are properly tested by Animal Husbandry Authorities, especially to ensure that performance enhancing medications like cocaine and nicotine are not administered to the bulls in any form.
- The authorities must also ensure issuance of Certificate about the relative strength of the bulls from the Animal Husbandry Department officials.
- Participants in the event must enroll their names, well in advance with the Revenue authorities and must undergo a thorough medical checkup carried out by the physicians. The participants will be allowed to participate, only if found fit.
- A mobile hospital and an ambulance with lifesaving drugs must be kept ready to rush the injured to the nearest well-equipped medical hospital, if required.
- Potable drinking water and sanitation facilities must be made available by the local bodies i.e. village panchayat and block panchayat in the village where the event is scheduled.
- Participants are advised to wear an outfit that permits easy recognition of contestants.
- An officer, of the level of Deputy Collector or equivalent must be nominated to supervise preparatory arrangements for the event, for e.g. checking up of bulls, checking up of participants and arranging for water, sanitation etc.
- Two copies of the Order showing the grant of permission to conduct Jallikattu must be communicated well in advance to the PWD, Animal Husbandry and Medical Departments, Local Bodies and Police Officers. Particulars regarding date, time and place must be clearly mentioned.
A preliminary meeting between organizers and participants must be held at least one day before the event and the rules must be clearly explained to the participants. Before the organizers of the event are permitted to conduct the event, care must be taken to ensure that guidelines and restrictions issued by the Hon'ble Supreme Court will be rigorously adhered to. This is especially with reference to avoiding any cruel treatment to the bulls and ensuring the safety of spectators and participants.

A copy of the rules, translated into Tamil must be made freely available to the public to help create better awareness about the event.

Besides this, care should be taken to ensure that prior permission is obtained for bringing the bulls and that the bulls are thoroughly tested by Animal Husbandry Authorities to rule out that performance enhancing drugs are not administered to the bulls in any form. The Court further ruled that participants are to be enrolled only after through physical and medical checkup. Fully equipped mobile ambulance with doctor on call to handle emergencies, provision for potable water and sanitation facilities and adherence to exclusive dress code were some of the other guidelines issued by the Court. The Supreme Court further directed the State Authorities that "After the event is held, the concerned Collector should give a Report within a period of two weeks to this Court. They shall follow the above guidelines strictly" and disposed the Interim Appeal accordingly.

The Jallikattu event was conducted during the Pongal festival and it was further continued by obtaining orders from the Madurai Bench of Hon'ble High Court of Madras on the guidelines of the Hon'ble Supreme Court.

The case came up for hearing on 30th January, 2009 and it was Ordered that "Two weeks' time is granted to the State of Tamil Nadu to file reply to I.A. No.15. Post this matter on 13th February, 2009. XIV. IMPLEMENTATION OF PERFORMING ANIMAL RULES

AWBI Gets Jallikattu Banned

The death of 21 people and injuries sustained by 1,614 individuals was a grim reminder to the public and the State Government about the hazards of permitting Jallikattu events in the State. The Supreme Court has made it mandatory that during the conduct of Jallikattu events, a fully equipped ambulance with medical doctors as well as a veterinary team be available on duty at places where the Jallikattu events are conducted. Earlier, the Animal Welfare Board of India had filed a writ petition requesting the Court to ban Jallikattu.

The practice of Jallikattu is in clear violation of Section 11(1)(a) of the Prevention of Cruelty against Animals Act and it is the duty of the state to prevent such events. The Board's appeal was upheld by the Supreme Court on Jan.30, 2009 and a stay order was issued by the court to that effect. The decision was made by a bench that included Chief Justice K G Balakrishnan and Justice P Sathasivam. The Board's Secretary
Shri D. Rajasekar, IFS has been very actively working to bring to a halt, this barbaric practice of Jallikattu, where the bulls are tortured by squeezing lemon and rubbing chilly peppers in their eyes, and then made to fight.

The media has also been supportive in helping to create awareness about Jallikattu eg. The Times of India has come up with a special campaign on Jallikattu. Animal Welfare activists who would like to voice their protest about jallikattu can do so on www.jallikattu.com.

Chairman, AWBI participated in AFA 2008

Addressing delegates at the 5th Asia for Animals Conference held in Bali (Indonesia) from 27.8.2008 to 29.8.2008, Maj. Gen. (Retd) Dr. R.M.Kharb, AVSM highlighted the challenges faced by the Board and the lessons learnt while implementing animal welfare programs in the country. Referring to the special challenges faced by the Board in improving the welfare of the country’s stray cattle and stray dogs, Gen Kharb cited some very positive outcomes. He said that the Board’s efforts to make the Gaushalas self-sufficient centres of excellence by conducting training programmes and setting up Model Gaushalas have been promising.

He informed the delegates that, with reference to the humane control of the stray dog population, the Board has been successful in implementing a new Participatory Model for ABC projects in Himachal Pradesh, Delhi and Tamil Nadu. Humane Animal Birth Control Projects have been implemented with full participation from both, Municipal Corporations and AWOs implementing the ABC Program. Other key challenges that the Board faces includes, getting the PCA Act, 1960 amended, putting a halt to the illegal transportation of cattle and other animals for slaughter and making living conditions more humane for farm animals. The Chairman also stressed that the severe cruelty inflicted on animals in slaughter houses across the country was a matter of grave concern. In that connection, he mentioned that the Board is in touch with the Bureau of Indian Standards to formulate new guidelines. The Chairman also stressed that another big challenge faced by the Board was, in getting the State Animal Welfare Boards to become more active and also in setting up SPCAs in every district in the country.

Resolutions Passed at AfA, 2008

**AWBI Holds Meeting to Define Term ‘Nuisance’**

A Meeting was organized by the Animal Welfare Board of India at the Animal Welfare Division, MoEF on January, 22nd, 2009 to clarify the definition of the term, ‘nuisance’. The Meeting which was chaired by Hon’ble Chairman, AWBI, Maj Gen Dr R.M. Khark, AVSM was attended by Shri. Anjani Kumar, Director, Animal Welfare Division, MOEF, Dr. Sanjeev Gupta, Representative, Municipal Corporation of New Delhi, Dr. Anup Bhaumik, Secretary, Veterinary Council of India, Dr. Abdul Rahman, Ex-Dean, College of Veterinary Sciences, Bangalore and Shri D. Rajasekar, IFS, Secretary, AWBI. Advocates who attended the Meeting included, Shri Raj Panjwani, Shri Jayasimha from PoTA India, and Ms Anjali Sharma. Board Members who attended the Meeting included, Shri. Rajeev Gupta, IAS, Resident Commissioner, Uttarakhand and Smt. Norma Alvares, Advocate and representative, PFA, Goa.

Besides, other representatives of Animal Welfare Organizations present at the meeting included, Smt. Geetha Seshamani, Frendicos SECA, New Delhi, Shri R Shanker and Ms. Shanthi Shanker, from Blue Cross of India, Chennai. It was felt by the Committee that the definition of the term ‘nuisance’ in the context of stray dogs has to be construed and defined strictly. It must be in consonance with the objective of the Prevention of Cruelty to Animals Act, which is to prevent the infliction of unnecessary pain and suffering on animals. It must be compassionate so as to fall within the four corners of Art. 51A (g) of the Constitution. Lastly, it should supplement and strengthen the object for which the ABC Rules have been framed.

After detailed discussions, the Committee felt that the dogs that are perennially aggressive/violent, habitually chase humans / vehicles without provocation and harbour / suffer from incurable, zoonotic diseases can be categorized into nuisance. It was strongly felt by the Committee that the responsibility for identification of dogs in ‘nuisance’ category be vested with the Monitoring
ANIMAL WELFARE BOARD OF INDIA

Committee defined and set up under the ABC rules and not with the Municipal Commissioner alone. It was also decided at the meeting that the Committee should give its final judgement only after making a thorough enquiry about whether the particular dog is included in the nuisance category or not. The Committee was in unanimous agreement that barking is part of the natural language of the dog and defecation was a natural function and does not fall under the ambit of term "Nuisance".

KARMAVEER PURASKAAR was created in 2006 by the people sector through ICONGO to recognize only individual citizens from all sectors (media, corporate, government, civil society, performing arts, professionals) who have been pivotal for “being and leading the change” beyond their personal daily lives and business as usual by being committed on individual levels to work for social justice issues with proactive citizen action.

The awards are given to individuals from various sectors for their contribution to promote social justice through citizen action. Mumbai’s Stray Dogs Get New Life

Stray dogs in Mumbai have been given a new life, thanks to the Supreme Court Judgement delivered on Jan, 23rd, 2009. Earlier, on 19th December 2008, the Mumbai High Court had issued an order proclaiming that ‘nuisance dogs’ could be eliminated. This was based on Section 191-BA of MMC Act which confers powers upon the Local Authority to capture dogs.

Sub-sections (1) and (2) of Section 191-BA specifically provide that if any dogs are found or reported to be a source of “nuisance” to the residents of any building or locality, the Commissioner or any person duly authorised by him may enter any premises for the purposes of seizing such dogs. After having seized such dogs, the Municipal Authority is expected to keep the dogs in municipal kennel and if any person, within three days from the date of such seizure, satisfies the Commissioner that he is the owner or person in charge of such dog.
ANIMAL WELFARE BOARD OF INDIA

The Commissioner may order it to be delivered to such person on payment of the tax, if any, due and the costs incurred by the Commissioner by reason of its detention and on such person giving an undertaking that the dogs will thereafter be kept in accordance with the conditions of the licence and will not be a source of nuisance to the residents of building or locality. However, if, within the said three days, no person satisfies the Commissioner that he is the owner or person in charge of the dog, as aforementioned, the Commissioner “may” cause the dog to be destroyed.

The Court Order issued by the Mumbai High Court in December, 2008 was successfully challenged by the Animal Welfare Board of India and other Mumbai based Animal Welfare Organizations; Vinyog Parivar and In Defense of Animals in a Writ Petition filed in the Supreme Court. The Case was defended strongly by well known advocates like, Shri Fali S. Nariman and Shri T.R. Andhyarujina, besides distinguished Animal Welfare Advocates, Shri Raj Panjwani and Smt Norma Alvarres.

Other Advocates representing the Petitioner included, Mrs. Anjali Sharma, Mr. Rohan Thawani, Ms. Vandana Sehgal, Mr. Hardeep Singh Anand, Mr. B.S. Banthia and Mr. Vikrant Singh. The Stay Order was delivered by a Bench that included Chief Justice K G Balakrishnan and Justice P Sathasivam.

**Recommendations of APVC Training Programme**

- The AH Department district Administrative Heads would prepare proposals to NABARD and apply for funds under RIDF for upgradation of Cattle shandies, besides creation of new Shandies with the specific objective of infrastructure improvement according to Animal Welfare Laws. The District officers should also put efforts to bring all AWOs under one roof, involving important people with knowledge and inspiration to enforce Animal Welfare Laws in their respective Districts.

- The Department will bring out a poster depicting important Animal Welfare Laws and Transportation Acts and place them at shandies, Veterinary Hospitals, Police stations, Slaughterhouses, Jatras and Agriculture markets to promote awareness and Law enforcement agency’s active vigil.

- Animal transportation drivers should be educated about the laws and explore the possibility of pasting stickers depicting important Animal Welfare laws in the cabin and on the rear side of the vehicle.

- RTA may be requested to insist the traders to use specially fabricated Animal Transportation chassis besides issuing special permission for animal carriers with a visible sticker.

- Department should take a publicity campaign educating the livestock traders, lorry-owner associations, RTA officials and specifically Police officers and all those who are involved in implementation and enforcement of Animal Laws.

- Care should be taken to eliminate graded stock and productive animals while issuing certificate for slaughter.

- Steps should be taken to open more Gaushalas in the district to take care of stray animals and diseased animals.

- Slaughterhouse design may be drawn by browsing AWBI website for different types and designs (at various areas like, rural, district and city) again using funds under RIDF of NABARD for improvements.

- Animal Sacrifice: Steps should be taken to discourage animal sacrifice and encourage humane method of slaughtering on religious grounds. This can be taken up on pilot basis in Nalgonda district.

- Department and APVC will constitute Animal Ethics Committee wherever lab animal houses are being maintained. The Andhra Pradesh Veterinary Council may take the lead for training those who are members of the Animal Ethics Committee.
ANIMAL WELFARE BOARD OF INDIA

- In the process of education in the university, experiments on large animals are being hindered by CPCSEA. It is recommended that their stand on this particular issue may be reviewed in order to promote quality education and ultimately animal welfare.

- Animal Birth Control /Anti Rabies: Department of Animal Husbandry will furnish a list of institutions where ABC/AR can be done at different places besides Blue Cross.

- Department shall declare one day in a month as 'Animal Welfare Day' in their calendar of operations for effective implementation of Animal Welfare Laws.

XIX. CONCLUSION

The Animal Welfare Board of India has completed 47 years of service in the promotion of Animal Welfare and Prevention of Cruelty to them. During the year, the activities of the Board continued to extend all over the country including Jammu Kashmir and the North Eastern States and even in remote rural areas of the country. The hitherto dormant and inactive Animal Welfare Organisations recognised by the Board were activated. The prompt and effective responses of the State Govts., Collectors, Secretaries to Govt., Dept of Animal Husbandry were highly encouraging.

With the gradual increase in allocation of financial grants, the Animal Welfare activities have been widened consistently. We have no doubt that with higher allocation of grants to the Board, the spreading of the message of Love and Compassion towards the animal kingdom is bound to be more expansive and effective thereby reducing and mitigating their misery and suffering.
