IX ANIMAL BIRTH CONTROL PROGRAMME

The Municipal Corporations and local bodies in India have been catching and destroying stray dogs for many decades in order to solve the problem of stray dogs and prevent spread of rabies. However, neither the population of stray dogs nor the incidence of rabies had come down. Therefore, the Board decided to take up the Animal Birth Control Programme as a long term solution to this problem.

The Animal Birth Control (ABC) Programme was launched as a Pilot Project in the six Metropolitan cities of Delhi, Mumbai, Calcutta, Hyderabad, Bangalore and Chennai in the year 1994 since the stray dog problem had been most acute in these major cities.

The project involved catching of ownerless and abandoned dogs, conduct ABC operations and find homes/leave them in their original localities from where they were picked up.

The participating NGOs in the six metros were provided with adequate funds for building up infrastructure facilities as also for carrying out the ABC operations.
From the financial year under report, the ABC project had been entirely supported by Ministry of Social Justice & Empowerment. Apart from the major cities, the programme had been started by AWOs in big towns also and as such the programme is being implemented by 35 AWOs in 9 States.

**X CRUELTY CASES**

During the year under report, the Board continued to receive complaints regarding cruelty to animals from various parts of the country.

The cases reported included, mass killing of stray dogs by Municipalities, illegal slaughter of animals, use of animals in circuses, cruelty to elephants, cruelty in zoos, illegal zoos, cruelty to animals in films etc.

Necessary steps were taken immediately to approach the district Authorities and other authorities concerned to take stringent action against the offenders. In many cases, the Board received feedback of the action taken by the authorities concerned to prevent the cruelty.

**XI COURT CASES**

**AWBI Won Gemini Circus Case**

In WMP 6119/2000 His lordship Justice P. Shanmugam of Chennai High Court had pronounced a historic judgement to vacate the stay order of Government of India’s notification dated 14-10-98 granted to the Gemini Circus Employees Union who had earlier filed the Writ Petition. The Animal Welfare Board of India impleaded themselves in this writ petition as a party respondent. The plea made by the AWBI in this case was that two events which clearly violate Sec. 11 (1) (a), a tiger being made to ride a horse and lions made to jump through a fire rings are cruel acts since a horse is a docile creature which is the natural prey for a tiger and a fire causes psychological trauma to wild animals because they instinctively react adversely when there was an outbreak of forest fire. Much against their basic natural instincts these animals were made to perform painful events, for which the stay of the impugned notification can be of no redress was appreciated and upheld by the Hon'ble High Court who held that the
ANIMAL WELFARE BOARD OF INDIA

Petitioners in the writ petition had suppressed several vital factual information in their pleadings to obtain the stay order.

Shri Atal Behari Vajpayee, Hon'ble Prime Minister of India handing over a cheque of Rs.1 crore to representative of the Gopal Govardhan Goshala Samiti, Pathmeda, Dist. Jalore (Rajasthan)

XIII MISCELLANEOUS

Rs. One crore from PM's Fund for relief of Animals

Hon'ble Prime Minister, Shri Atal Behari Vajpayee personally handed over a cheque for Rs.1 crore from Prime Minister's relief fund to Swami Dattsharanandji in a simple ceremony at PM's House for famine relief to save 75,000 cattle of Gopal Govardhan Goshala Samiti, Pathmeda, Tehsil Sanchore, Dist. Jalore, Rajasthan.

Another cheque of Rs.10 lakhs was handed over at the office of Animal Welfare Board of India at New Delhi by the Chairman Justice Guman Mal Lodha to Swami Dattsharanandji for the above famine relief on behalf of Smt Maneka Gandhi, Hon'ble Minister for Social Justice and Empowerment.

Prime Minister's concern for animals

Shri Atal Behari Vajpayee, Hon'ble Prime Minister addressed letters to all Chief Ministers by name covering various aspects of animal welfare on which urgent attention
should be paid by different State Governments. The points covered in the Prime Minister’s letter were :-

1. Media reports about horrible account of how animals are treated while taken to slaughter houses. Details of these reports describing the inhuman methods of slaughter of these animals are no less horrific. Our inability to protect our animals against the greed of unscrupulous traders in their mindless pursuit of wealth has led to this situation.

2. Provisions for ensuring that cruelty is not inflicted on animals already exist in the Prevention of Cruelty to Animals Act, in the Rules made thereunder as also in the Cattle Preservation Act, in standards set by the BIS and in sections 428/429 of the IPC. They deal inter alia with (a) transportation of animals for slaughter including prevention of illegal interstate transportation (b) appropriate transportation arrangement specifying ceiling on number of animals in specific mode of transport, adequate facility for food and drinking water (c) enforcement of laws regarding methods of slaughter (d) stopping of illegal cattle auction and (e) age of animals for slaughter — strict enforcement of the laws needs to be ensured by the State Governments.

3. Besides rigorous enforcement of existing provisions of law, there is a strong case for involving the non-governmental section in this task. In many parts of the Country either there is no presence of the Society for the Prevention of Cruelty to Animals (SPCA) or it is non-functional. The State Governments need to take the initiative in establishing these and in associating the community in ensuring care of animals.

4. The Government in most of other countries as well as civil society organizations were able to insist upon and enforce laws ensuring that animals are treated much better. With the co-operation of the State Governments, we will be able to achieve a basic minimum of care for our animals.

5. Enforcement of existing law and associating non-governmental organizations in different States to achieve the objective of more humane treatment to animals should be taken up.

AWBI Chairman’s Appeal to Hon’ble Prime Minister

Justice Guman Mal Lodha, Chairman, AWBI, had written a detailed letter to Hon’ble Prime Minister, Shri A.B.Vajpayee on 15th June 2000 drawing his attention to various issues of animal welfare. Board had already made the recommendations which were duly taken up by the Hon’ble Prime Minister Smt Maneka Gandhi for taking approval of the Parliament. Other important suggestions by the Chairman included: 1) Need for streaming the Border Security Force to stop export of cattle to Bangladesh 2) Special Task Force to prevent cattle exodus to Kerala for slaughter. 3) Police powers to Honorary Animal Welfare Officers of the Board 4) State Governments to provide veterinary facilities to Animal Welfare Organisations 5) Need for close co-ordination and co-operation between Animal Husbandry Department and Animal Welfare Department by providing special cell.

AWBI Chairman meets Hon’ble Prime Minister

The Chairman Animal Welfare Board of India, Justice Guman Mal Lodha urged the Hon’ble Prime Minister, Shri Atal Bihari Vajpayee to constitute a Committee of Constitutional experts and leaders of the cow protection movement to chalk out a plan for total ban of cow slaughter and to amend the Constitution of India, if necessary. This alone, he felt, could dissuade Jagadguru Sankaracharya Swami from launching his proposed fast unto death on this issue. The Prime Minister told Justice Lodha that he had already asked Dr. Murli Manohar Joshi to explore the possibilities. Justice Lodha
also presented him the special issue of "Animal Citizen", AWBI Journal and a film on cow revolution named "Godhan Kranti" which shows how cow dung and cow urine are being used at different research centres to produce medicines, pesticides, organic manure and soaps.

Enquiry Commission Report on Delhi Gosadans

The Animal Welfare Board of India constituted a Commission headed by Justice J.D. Jain to enquire into the high death rates of cattle in seven Go-Sadans of Delhi. The Commission consisted of 5 Members including Justice J.D. Jain as the Chairman. The various aspects relating to Stray Cattle, Gosadans Vs Qazi Houses, Gosadans Vs Goshalas, Primary idea behind Gosadans, Nature of Animals being deposited in Gosadans etc. the role of NGOs in managing Gosadans viz-a-viz responsibility of Government towards Gosadans etc., had been discussed in detail in the report.

The Commission noted that the Gosadans at Bhawana which is managed by Smt. Maneka Gandhi, Hon’ble Minister was considered to be ideal and best in terms of infrastructure strength, medical sources, records of treatment and records of death etc.,

The Commission had given the following suggestions to the AWBI:

(i) keeping in view the concentration of old, sick and aged animals in the Gosadans, there is a need to enhance the veterinary care, and the Government, directly should involve itself through its doctors in daily check-up of animals, needing of attention, and provide full life-saving medicines and other support to Gosadans, rather than leaving it on the Management themselves, as the aspect of medicare and life-saving drugs etc. or veterinary care cannot be left to be dependent on the arrival of donations etc., otherwise the mortality rate may further enhance.

(ii) In order to remove the menace of stray cows, the Government should provide grazing grounds, in the interest of animals themselves, rather than looking at it as an incentive for unauthorised dairies.

(iii) The Government should be directed to educate the public against throwing of polythene bags with garbage in the Municipal Garbage Houses or otherwise, telling them that it leads to death of cows. This can be done by notifying such advice near the Garbage Collectin Centres.

Findings of the Commission

The Commission’s investigations and enquiries show that the deaths of cows have not been due to any negligence or due to any foul play or mischief from outside contractor or agencies or by way of any killings. The causes of death are incurable sickness or natural deaths etc.

Review of Municipal Acts

Shri Jagmohan, Hon’ble Minister of Urban Development and Poverty Alleviation, in his letter no. N-11025/29/2000- UCD-1733 F dated 3rd July 2000 addressed to concerned Ministers of urban development in all the States had requested that the provisions of the Municipal Acts with regard to treatment of dogs suffering from rabies or dogs without collars or without marks distinguishing them as private property be reviewed.

The letter is reproduced below:-

"Dear Shri,

The provisions of the Acts of Municipal Bodies in the country, related to street dogs invariably specify that dogs suffering from rabies should be destroyed. Also dogs
without collars or without marks distinguishing them as private property “may be destroyed and cause them to be destroyed accordingly”. These provisions and enactments are against the basic tenets and principles of animal welfare as enshrined in the Prevention of Cruelty to Animals Act, 1960.

A review of the Municipal Acts in your jurisdiction may be conducted and wherever possible after the word “destroyed”, the phrase “or treated by any other efficacious and medically well established method of treatment” may be added in the necessary provisions of the Acts.”

ANIMAL WELFARE BOARD OF INDIA

NOTES TO ACCOUNTS

1. HBA Fund

The House Building Advance Fund pertains to the money received by the Board from the Ministry in 1991-92 and 1992-93. The said amount is for the purpose of granting House Building Advance loans to staff. As per AG Audit remarks, the amount of Rs.30,540/- being interest accrued on outstanding HBA recoverable from ex-employee has been included in the HBA Fund. Similarly, the interest on HBA recovered from the staff during the year has been included in the HBA Fund.

2. HRD Fund

The unspent balance amount of Rs.2,49,998/- out of the HRD grant received in 1997-98 has been shown as liability as per AG Audit's remarks. Out of this, an amount of Rs.1,20,376/- has been spent during the year on printing of lessons/course materials for Training Courses and the balance amount of Rs.1,29,622/- has been shown as liability.

3. Work in Progress

An amount of Rs.87,00,000/- out of the estimated Rs.97,00,000/- has been paid to CPWD for the construction of the office building of AWBI at Thiruvananthapuram. The possession of the office building was taken in August 2000. However, the final settlement of accounts has not been finished and the item wise details of expenditure on assets has not been received from CPWD till date. Hence, in the absence of break-up of assets acquired viz building, electrical fittings, tools and plant etc. depreciation is not provided on such assets for the current year.

4. Release of grant to AWO out of FCRA Account

An amount of Rs.5,58,600/- was remitted by Ms. Jamine Vogler of Animaux, France in the Non-Plan account of the Board in 6/98 for releasing it to an animal welfare organization in West Bengal for construction of Shelter. The Board's application for utilizing the foreign remittance was accorded approval by the Ministry of Home Affairs only in February/March 2001. Hence, the payment was made to the Animal Welfare Organisation in March 2001 out of FCRA account maintained in State Bank of India, Raja Annamalaiapuram branch, Chennai - 28 after transferring the amount lying in Non-Plan account (since 6/98) to the FCRA Account. Since the payment pertains to the financial year 1998-99, necessary adjustment is made in the Balance Sheet under the excess of Income and Expenditure Account.
ANIMAL WELFARE BOARD OF INDIA

1. The accounts of the organization have been prepared on the accrual basis of accounting.

2. The accounts of the organizations have been prepared on a going concern basis.
