VIII ANIMAL WELFARE FORTNIGHT JANUARY, 2002

Animal Welfare Fortnight was celebrated by various Animal Welfare Organisations, Hony' Animal Welfare Officers, Govt. Departments, Zoological Parks and Several Voluntary Organisations throughout the country commencing from 14th Jan. to 30th Jan. 2002 with great enthusiasm. During the fortnight the SPCAs/AWOs were advised to intensify their activities such as Rescue of Animals, starting of Animal Shelters, closing of Mini Zoos, compile Animal Laws, feed the birds and animals, plant bird friendly trees, take steps to start anti-plastic bag campaign, organise raids against cruelty, organise veterinary treatment camps, campaign against dissection of animals in schools and so on.

IX ANIMAL BIRTH CONTROL PROGRAMME

The Municipal Corporations and local bodies in India have been catching and destroying stray dogs for many decades in order to solve the problem of stray dogs
and prevent spread of rabies. However, neither the population of stray dogs nor the incidence of rabies had come down. Therefore, the Board decided to take up the Animal Birth Control Programme as a long term solution to this problem.

The project involved catching of ownerless and abandoned dogs, conduct ABC operations and find homes/leave them in their original localities from where they were picked up.

The ABC project, however, had been entirely supported by the Govt. of India - Administrative Ministry of the Board. Apart from the major cities, the programme had been started by AWOs in big towns also.

STUDY ON DOG POPULATION

The AWBI funded the study on dog population. PFA Bangalore did the first detailed study on the population of dogs in their city in November 2000. Where the municipal authorities had claimed that there were 1.5 to 2 lakh dogs, the actual population, as borne out by a painstaking census, was 70,980 only.

As per the 1991 census, the population of greater Bangalore was 64,88,000 with the 2001 population much higher. That means that the dog:human ratio was approximately 1:91. These figures extrapolated for other cities means 1,08,880 dogs in Mumbai (population 97,08,500), 103520 dogs in Delhi (population 94,20,600) and 48,350 dogs in Calcutta (population 43,99,800). Of course, the figures are even lower for those cities that have had ABC programmes for several years.

The Bangalore study was conducted on the basis of traffic, garbage, socio-economic status and type of area (commercial/residential/industrial/defence). The work was carried out by volunteers on foot, to ensure that dogs resting or hiding in drains and under vehicles were also taken into account.

The census was carried out at different times of the day and the dog population was categorised into male/female - sterilized; male/female - unsterilized; lactating bitches and puppies. While extrapolating the total figure, the dog population and human population ratio for each ward was taken into consideration. The figures were ratified and derived with the guidance and expertise of a professional statistician.

KILLING OF DOGS

Where the cases related to killing of dogs by Municipal bodies, the Board sent communications to the concerned Municipal Bodies, by telegram/letters stating that killing of animals is cognizable offence under the Prevention of Cruelty to Animals Act 1960. It was also pointed out that as per the Animal Birth Control (Dogs) Rules 2001, the local authorities have certain obligations in the enforcement and implementation of the said Rules.
X CRUELTY CASES

During the year under report, the Board continued to receive complaints regarding cruelty to animals from various parts of the country.

The cases reported included, mass killing of stray dogs by Municipalities, illegal slaughter of animals, use of animals in circuses, cruelty to elephants, cruelty in zoos, illegal zoos, cruelty to animals in films etc.

Necessary steps were taken immediately to approach the District Authorities and other authorities concerned to take stringent action against the offenders. In many cases, the Board received feedback of the action taken by the authorities concerned to prevent the cruelty. Some of the reported cases are given below:

“Sarpa Yajananm” Cobras  confiscated

The forest department at Thiruvanantapuram raided the fair grounds at Puthirkandam and ordered the organisers of the Lions Expo 2000 to stop the ‘Sarpa Yajananm’ (living with reptiles) event. The action was initiated followed by a representation from People For Animals, Trivandrum. A 24 year old Mathew Maikkamali was cohabiting with 15 cobras and 50 scorpions in a wooden box and planned to stay inside the box for seven days. The event was terminated and the cobras were confiscated under the provisions of the Wildlife Act.

BULLOCK CART RACES

Instances of Bullock Cart Race in Kakkoo Kayal village of Kerala was reported. The matter was taken up with the District Collector and Superintendent of Police of Eranakulam District in Kerala. It was pointed out that the proposed bullock cart race should not be allowed as Bullocks will be severely beaten and punched with pins on their backs thereby violating Prevention of Cruelty to Animals Act 1960.

In this connection the ruling of High Court of judicature of Andhra Pradesh at Hyderabad stating that conduct of Bullock Cart Races amount to cruelty to animals prohibited under the Prevention of Cruelty to Animals Act 1960 was cited.

It was also brought to the notice of the Board that the office bearers of the organization “Daya” of Mudavoor P.O., an organisation recognised by Animal Welfare Board of India were attacked at the instance of the organizers of the race, when some volunteers protested against the conduct of the ox races.

The Hon’ble Chairman of the Board also as acting Chairman of the National Commission on Cattle took strong exception and wrote to the District Collector, Eranakulam District, calling for a report about the incident and requested to take action to arrest and prosecute the culprits in the above incident and also ban the Bullock Cart Races completely.

The Government of Andhra Pradesh in a Circular Order dated 22.05.01 issued orders to all District Authorities to stop ox races and competitions in Andhra Pradesh.

ANIMALS & BIRDS SACRIFICES PROHIBITION

In respect of reports received by the Board regarding sacrifice of animals and birds, the concerned District Collectors and Superintendent of Police were requested to intervene and stop the animal sacrifices. It was pointed out that killing of animals is a cognizable offence under the Prevention of Cruelty to Animals Act 1960 and also under the relevant State Act prohibiting sacrifice of animals and birds.

In the case of Shri Jasraj & others Vs. Government of Andhra Pradesh and others (No. W.P. 32513 of 1998) in the High Court of Judicature of Andhra Pradesh at Hyderabad, judgment was given stating that “No one would be allowed to sacrifice animals in front of the holy temple and all possible measures would be taken to discourage and stop the sacrifice of animals in the premises of the temple during the “jatra”.

XI COURT CASES

SC upholds ban on training of animals

A three-member bench of the Supreme Court has upheld the validity of Section 22 of the Prevention of Cruelty to Animals Act, 1960, and a notification dated October 14, 1998 issued thereunder by the Centre prohibiting the exhibition and training of bears, monkeys, tigers, panthers and lions. Section 22 deals with ‘restriction on
exhibition and training of performing animals", etc. "In the very nature of things when the animals are used for performance in circus, it requires their training," and "it is for the Government to decide on the basis of the evidence on record and after taking into consideration other factors whether the training and exhibition of those animals (in a given situation) would result in unnecessary pain or suffering being inflicted on them," the bench observed. The bench observed that "one thing is certain and that is that the appellants, namely, the circus owners are prohibited from either training or exhibiting any of the five animals referred to in the impugned notification" The bench which included Mr. Justice U.C. Banerjee and Mr. Justice Brijesh Kumar dismissed a large group of connected appeals against a verdict of the Kerala High Court upholding the validity of Section 22 and the impugned notification. With the sudden increase in funds due to the Mahavir Fund of Rs.10.00 crores from Ministry of Culture, there was considerable relief to the AWOs and the AWBI. The organisations got additional funds as Mahavir Grant for increasing their activities during the current year.

The Animal Welfare Policy, the Dog Policy and the Cattle Policy of the Board, the new Rules notified by the Government of India were all sought to be implemented forcefully. The State Committees met periodically and followed up the implementation of the Policies of the Board resulting in a considerable augmentation of the animal welfare activities throughout the country.

With the gradual increased allocation of financial grants, the Animal Welfare activities have been increasing consistently. We have no doubt that with increase in grants in future, the activities of the Board are bound to be more effective and the dumb friends of man, the animals, would get their due share in the years to come.

NOTES TO ACCOUNTS

1. For the previous year, AG Audit has commented that the Xerox machines were capitalized under Tools, Plants & Equipments instead of office equipments and thus difference in provision of depreciation requires to be revised. This year the rectification as per comments of AG Audit were carried out and the difference depreciation amount of Rs.12407/- has been adjusted in the Excess of income over expenditure.

2. For the previous year, AG Audit has commented that Library books were depreciated at 100% and shown as Nil. Hence, this year the last year’s entry was reversed and depreciation provided at 10%.

3. The amount of Rs.87 lakhs shown as advance to CPWD for construction of office building which is in progress – has been capitalized consequent to the details furnished by CPWD. Since, the acquisition of the office building was made in 8/2000, depreciation was provided from 1-4-2000 onwards and addition made to the capital fund accordingly.

4. An amount of Rs.8,98,013/50 was recouped from the FCRA account during the year. This amount represents the expenditure incurred by the Board in 1998-99 for release of Financial Assistance to AWOs for equine project funded by BHA, UK and 3 weeks training programme of 1997-98 and 1998-99 funded by RSPCA, UK and ABC Evaluation by TANUVAS funded by RSPCA, UK. The approval/prior permission by the Ministry of Home Affairs was received in the fag end of the year 2000-2001 and hence the recoupment to the Board’s Plan account was made during this year.

5. During the previous year, an amount of Rs.1,25,000/- was booked as expenditure for compilation charges of Animal Laws Book in Hindi instead of taking to the closing stock of publication. The stock was received during the year and hence, the expenditure has been reversed and taken to opening stock. Necessary adjustments have been made in the Excess of Income over Expenditure.

6. A special grant of Rs.10.00 crores has been received from the Ministry of Culture in commemoration of 2600th Janma Kalyanak of Bhagwan Mahavir. The grant is being maintained in a separate account and shown as liability in the Balance Sheet.

SIGNIFICANT ACCOUNTING POLICIES

1. The accounts of the organization have been prepared on the accrual basis of accounting.

2. The accounts of the organizations have been prepared on a going concern basis.

3. Depreciation have been provided on fixed assets as prescribed under the Income Tax Act 1961.

1. INTRODUCTION

The Animal Welfare Board of India was constituted in 1962 in accordance with section 4 of the Prevention of Cruelty to Animals Act, 1960.

The Board receives grants from the Central Government for its various activities. During the year, the Board received a grant of Rs. 755.65 lakh (Plan - Rs. 702.65 lakh and Non-Plan - Rs. 53.00 lakh) and a Special Grant of Rs. 1000 lakh.

As required in Rule 24(2) of the Animal Welfare Board of India (Administration) Rules 1962, as amended in 1963, the audit of Animal Welfare Board of India has been undertaken under Section 19(2) of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971.

2. COMMENTS ON ACCOUNTS

2.1 Income and Expenditure Account

Miscellaneous expenses - Overstatement of expenditure Rs.1.05 lakh

Corporation Tax of Rs.1,05,474 paid for water, sewerage and property taxes by the Board for the year 2000-2001 was booked as expenditure during 2002 in the Income and Expenditure Account. A provision for the same should have been made during 2000-01 and charged accordingly.

This has resulted in overstatement of expenditure by Rs.1.05 lakh during 2001-02.

2.2 GENERAL

The Board has not adopted the common format of accounts for Autonomous Bodies approved by the Government of India. However, the Board has stated that the common revised format of accounts will be adopted from the year 2002-03 onwards.

2.3 EFFECT OF AUDIT COMMENTS

The net impact of the comments given in preceding paras is that Excess of Income over Expenditure is understated by Rs.1.05 lakh.
