VIII ANIMAL BIRTH CONTROL PROGRAMME

The Municipal Corporations and local bodies in India have been catching and destroying stray dogs for many decades in order to solve the problem of stray dogs and prevent spread of rabies. However, neither the population of stray dogs nor the incidence of rabies had come down. Therefore, the Board decided to take up the Animal Birth Control Programme as a long term solution to this problem.

The project involved catching of ownerless and abandoned dogs, conduct ABC operations and find homes/leave them in their original localities from where they were picked up.

The ABC project, however, had been entirely supported by the Govt. of India - Administrative Ministry of the Board. Apart from the major cities, the programme had been started by AWOs in big towns also.

Co-ordination for Neutering Programme

The Govt. of India has issued a notification for conducting animal birth control programmes, The Animal Birth Control (Dog) Rules, 2001, under the Prevention of Cruelty to Animals Act, 1960. These rules order the explicit co-ordination between local bodies and non-governmental Organisations for carrying out the spaying/neutering and anti-rabies programme. The Animal Welfare Board of India has circulated copies of the new rules to all local bodies and agencies connected with the programme. The rules make it incumbent on the local bodies to sterilise and immunise street and other dogs with the assistance of local animal welfare organisations and private individuals.

The rules pin the responsibility of providing infrastructure facilities for the birth control programme on the local bodies. The local administration will have to establish sufficient number of dog pounds, kennels and shelters, the management of which could be entrusted to the animal welfare organisations. It would have to arrange for dog vans, dog catchers and mobile centres for sterilisation and immunisation. The rules warrant the formation of monitoring committees to be headed by the commissioner/head of the local bodies with representatives from the Public Health Department and Animal Welfare Board of India, besides veterinary surgeons, representatives of the Society for Prevention of Cruelty to Animals and other animal welfare organisations. The rules provide separate guidelines for euthanasia and for handling of rabid dogs. "Incurably ill and mortally wounded dogs" will have to be diagnosed and certified by veterinarians appointed by the committee before being euthanised. Only sodium pentothal for adult dogs and Thiopental Intropitoneal for puppies can be used; dogs suspected of being rabid would have to be quarantined.

Karnataka High Court dismisses writ petitions on stray dogs

The second one, W.P.No. 37359/2001 filed by Stray Dog Free Bangalore (SDFB) was for the enforcement of Karnataka Municipal Act to make the streets of Bangalore free of stray dogs.

Alongwith the BMC, Bangalore based Animal Welfare Organisations – the Compassion Unlimited Plus Action (CUPA) and the Animal Rights Fund- were impleaded as the second and third respondents. In their rejoinder, the BMC and the other two respondents stated that the problem of stray dogs has to be dealt with in accordance with the World Health Organisation (WHO) guidelines on sterilization and immunization of street dogs and euthanisation of rabid and unfit dogs which is being carried out by the BMC in co-operation with AWOs. Latest information like dog population survey statistics, rabies death cases in 2000, WHO guidelines, and photographs of cruelty to dogs committed before introduction of birth control programme were produced before the High Court. Dr.Sugandhi is also trying to set up SPCAs in other districts of the State.

Donations for Animal Welfare

M/s. S. Badal Chand Chordia Trust (SBCCT) of Chennai has donated Rs.25 lakhs for arranging fodder to AWOs in Rajasthan. The Trust is to help the organizations that are already having necessary exemption under Section 80(g) of Income Tax Act 1961. Managing trustee, Shri R. Prasanna Chand Chordia informed the Chairman of the Animal Welfare Board of India, Justice G.M.Lodha on 31st Oct. 2002 that the SBCCT will give atleast Rs.5000/- to each Goshala in Rajasthan, especially to those which are in famine affected areas of Nagaur and Jodhpur districts.

The Handicrafts Association of Jodhpur has donated Rs.10 lakh for fodder for drought affected cattle in response to the appeal made by Justice G.M.Lodha, Chairman of the Board.

MPs fund for animals

The Committees on Local Area Development Scheme of MPs (MPLADS) of the Lok sabha and Rajya Sabha, in March, 2002 had approved the proposal for inclusion of works relating to animal welfare in the illustrative list of works that can be taken up under the MPLADS.
Recognising the relevance of projects for animal welfare, it was decided that the items of work, including construction of buildings/shelters, provision of ambulances, provision of medical equipments and development of infrastructural facilities such as provision of drinking water, would be permissible under the guidelines of MPLADS.

The MPs fund could be given to AWOs for building infrastructure. Accordingly, Shri Balbir Punj, M.P. has given for SPCA Noida, Shri Krishnamurthy, M.P. donated for PFA Bangalore and Smt. Maneka Gandhi, Hon’ble Minister gave for SPCA, Pilibhit. Dr. L.M. Singhvi, MP, had given Rs. 5 lakhs to Shelter to Suffering Animals, Jodhpur.

**Transporters and illegal transport**

Smt. Maneka Gandhi, Hon’ble Minister of State for Statistics and Programme Implementation has written to all transport unions to ensure that their members follow the Transport of Animals Rules strictly. Police have also been informed of the Rules so that they can apprehend the law breakers.

Transport of Animals by rail/road/foot is governed by Transport of Animals Rules 1978 and Transport of Animals (Amendment) Rules 2001 as notified in the Gazette of India on 26th March 2001. As per the Rules, a certificate has to be obtained from an authorized representative of the Animal Welfare Board of India, by the person who wants to transport the animals. Further, a certificate is also required to be obtained from a veterinarian that the animals to be transported are in a fit condition.

Based on these two certificates, the district authorities can permit the transport of animals. Besides this, the other conditions such as number of animals to be carried in one vehicle have also to be followed by the transporter. If any transporting agency is found to be transporting animals in violation of these Rules, the punishment involves jail, fining and confiscation of the vehicle.

**Transport of Animals (Amendment) Rules**

The Govt. of India has notified the Transport of Animals (Amendment) Rules 2001 in the Gazette of India on 26th March 2001. Under Rule 96 of the Rules, the Govt.
of India has authorised the Chairman, Animal Welfare Board of India or his representative to exercise the powers under these rules. If any transporting agency like Railways or Transport Companies transport animals without a valid certificate they are liable to be punished for violation of the Prevention of Cruelty to Animals Act 1960. The transporting agencies are responsible to help the authorised representatives of the Animal Welfare Board of India for conducting any inspection at any place or time. The Board has issued a circular No.8-13/2002 HE dated 27-2-2002 to all the District Collectors/District Magistrates and Secretaries of Animal Husbandry Department, Transport Department of all States and Union Territories in this regard. Violation of animal laws by transporting agencies will be treated as criminal case and the Board representatives of the concerned area will come into action for prosecuting the offenders.

**NCC Report presented to PM by Justice Guman Mal Lodha**

The National Commission for Cattle, constituted for the first time since independence, submitted its report to Shri Atal Behari Vajpayee, Hon’ble Prime Minister of India on 31 July 2002 under the leadership of Justice Guman Mal Lodha who was its acting Chairman and author of the historic report.

The Commission worked through various sub-groups and committees and toured almost all States and held public hearings and collected views and opinions from all cross sections of the Society.
The report, running into more than 1,500 pages and four volumes is "one of the biggest in the history of reports on the speechless, deaf and dumb cattle". Justice G.M. Lodha, Chairman, AWBI said, "We have come to the conclusion that unless cow protection is made a Fundamental Right and there is a Central legislation to enforce this right with a Central Rapid Cattle Protection Force, cow slaughter will never be controlled.”

The report, which has no less than 50 recommendations, exhorts the Hon’ble Prime Minister, Shri A.B. Vajpayee and Hon’ble Deputy Prime Minister, Shri L.K. Advani to accept the report "in toto" and thus be counted among the greats.

Some of the main recommendations are: Impose Central ban on Cow Slaughter, amend POTA to detain gangs that smuggle cows, prohibit cross-breeding from imported cattle, scrap the subsidy on tractors and mechanical appliances for agriculture and set up a Central Cattle Protection Rapid Task Force.

Its main recommendation of ban on slaughter of cow and its progeny by the Centre by law stands accepted by Cabinet approving it on 6th May, 2003.

The Board feels proud on the performance of its Chairman Justice Guman Mal Lodha who played pivotal role in this Commission and also getting the main recommendation accepted.

**XIV CONCLUSION**

The Animal Welfare Board of India has completed 41 years of service for the promotion of Animal Welfare and Prevention of Cruelty to them. During the year under report the activities of the Board continued to be extended all over the country including Jammu Kashmir and the North Eastern States and even remote parts of the country. The Animal Welfare Organisations recognised by the Board were activated.

With the increase in funds due to the Mahavir Fund from Ministry of Culture, there was considerable relief to the AWOs and the AWBI. The organisations got additional funds as Mahavir Grant for increasing their activities during the current year.

The ban on dissection, formation of new SPCAs/AWOs/Goshalas, no. of rescue operations and court cases were increased tremendously, the new Rules notified by the Government of India were all sought to be implemented forcefully. The State Committees met periodically and followed up the implementation of the Policies of the Board resulting in a considerable augmentation of the animal welfare activities throughout the country.

With the gradual increased allocation of financial grants, the Animal Welfare activities have been increasing consistently. We have no doubt that with increase in grants in future, the activities of the Board are bound to be more effective and the dumb friends of man, the animals, would get their due share in the years to come.

AUDIT REPORT ON THE ACCOUNTS OF THE
ANIMAL WELFARE BOARD OF INDIA, CHENNAI
FOR THE YEAR 2002 -2003

1. INTRODUCTION
The Animal Welfare Board of India was constituted in 1962 in accordance with Section 4 of the Prevention of Cruelty to Animals Act, 1960.
The Board receives grants from the Central Government for its various activities. During the year, the Board received a grant of Rs.675.80 lakh (Plan : Rs.622.80 lakh and Non-Plan : Rs. 53.00 lakh).
As required in Rule 24(2) of the Animal Welfare Board of India (Administration) Rules, 1962, as amended in 1963, the audit of the Board has been undertaken under Section 19(2) of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971.

2. COMMENTS ON ACCOUNTS
Receipts and Payments Account

2.1 SALE OF ASSETS NOT SHOWN SEPARATELY IN RECEIPTS AND PAYMENTS ACCOUNT
During the year 2002-03 assets whose book value was Rs. 27893/- was sold for Rs. 33075/-. Instead of showing this sale amount separately in Receipts and Payments Accounts, it was adjusted in the purchase price of assets acquired during the year. This has resulted in understatement of Receipts by Rs.33075/-

Balance Sheet

2.2 CURRENT LIABILITY WRONGLY SHOWN AS PROVISIONS
Retirement benefits amounting to Rs.3,21,708/- due to be paid to an employee of the Board, who had retired during the year 2002-03 was shown as provisions in the Schedule 7 (Current Liabilities and Provisions). As this liability had become definite and payable during the year 2002-03, it should have been shown as current liability instead of showing it under provisions.

2.3 UNSPENT PLAN GRANT NOT SHOWN SEPARATELY IN BALANCE SHEET
The Board has not shown the unspent Plan grant separately in the Balance Sheet.

2.4 EFFECT OF AUDIT COMMENTS
The net impact of the comments given in preceding paragraph is that receipts were understated by Rs.33,075.
