VII. HUMANE EDUCATION

One of the main functions of the Board is propagation of Humane Education. During the year, the expenditure on Humane Education was Rs.17,78,066.10.

CENTENARY CELEBRATIONS OF SMT. RUKMINI DEVI ARUNDALE

The “Centenary Celebrations of Smt. Rukmini Devi Arundale”, was jointly organised in Chennai on 29.2.2004 by the Animal Welfare Board of India, Blue Cross of India, C P Ramaswami Aiyar Foundation and the Rukmini Devi Arundale Trust. Chief guest Justice M. Karpaga Vinayagam of the Madras High Court said, “Temples should not be allowed to become slaughter houses and the Tamil Nadu Government should reconsider its recent decision to lift the ban on animal sacrifice”. The Judge said the Government’s move in lifting the ban had hurt spiritually-inclined people like himself.

He called upon animal lovers to take steps to ensure that the government reconsidered its decision. This is the land of Mahatma Gandhi and Vivekananda and he himself is a follower of Tiruvalluvar, Ramalinga Adigalar and Bharathiyar. The Judge further added that animal sacrifice is only propagation of superstition. Stressing the need for compassion and tolerance towards animals, the Judge said that devotees should learn to sacrifice their ego and arrogance instead of slaughtering animals. Recalling the services of Smt. Rukmini Devi Arundale, who founded the Animal Welfare Board of India (AWBI) and the Kalakshetra Foundation, Dr S Chinny Krishna, Vice-Chairman, AWBI and Chairman of Blue Cross of India said she had campaigned tirelessly to ban the use of animals in circuses and her efforts had created awareness against cruelties in training performing animals.

SEMINAR ON ECOLOGICAL IMBALANCE

The seminar was held at Chennai on 19th December, 2003. The speech of Justice G.M. Lodha titled “protection of life and environment for peaceful co-existence” was published in Souvenir under technical session III. Justice Lodha said that “animals and environment are the glorious gift of nature to man. In fact, our survival on this planet depends on a healthy environment.

Former Union Minister of Animal Care and the People For Animals, Chairperson, Smt. Maneka Gandhi said that every plant and animal played a part in maintaining the earth’s balance. Even a small change in the eco-system would bring to a ‘slow halt’ the functioning of the earth.
Citing an example, she said stray dogs in the city did the work of conservancy workers and helped clean it up. Killing them brought rats out of sewers and onto the streets.

**WORKSHOP ON WILD ANIMALS**

The State Animal Welfare Board of West Bengal organized a workshop at the Zoo Auditorium, Calcutta city, in January 2004, which was presided by Shri Anisur Rehman, Hon'ble Minister for the Animal Resources Development Department and Justice Guman Mal Lodha, Chairman of the Animal Welfare Board of India, was Chief Guest. Both the Compassion Crusaders Trust and People for Animals, Calcutta participated in the function.

**TRAINING PROGRAMME**

An extensive series of training programmes were held in the country with revised syllabus for a period of 7 days. During the training courses, a wide discussion on Animal Welfare was arranged by Master Trainers of the AWBI. The programmes were organised well as per syllabus.

The states included for the training were Assam, Chhattisgarh, Rajasthan, Haryana, Maharashtra, Andhra Pradesh, New Delhi, Punjab, Gujarat, West Bengal, Uttar Pradesh and Madhya Pradesh. The co-ordinators of the programme conducted very successful training in their respective States. This programme emphasised on animal welfare in general.

**CERTIFICATE COURSE ON ANIMAL WELFARE**

Certificate Course on Animal Welfare was started by Tamil Nadu Veterinary and Animal Sciences University (TANUVAS) in 1995-96 fully funded by the Animal Welfare Board of India at that time and presently self financing on its own and has now become very popular in the country.

Justice G.M.Lodha was invited as Chief guest of the function and he addressed the students on the occasion of the Validictory function of the contact class which was held from 18 - 20 September, 2003 at Vet. College, Vepery, Chennai. He said that the Certificate Course is proving more informative and educative for animal welfare workers.

VIII. ANIMAL BIRTH CONTROL PROGRAMME

The Municipal Corporations and local bodies in India have been catching and destroying stray dogs for many decades in order to solve the problem of stray dogs and prevent spread of rabies. However, by destroying the dogs neither the population of stray dogs nor the incidence of rabies has come down. Therefore, the Board decided to take up the Animal Birth Control Programme as a long term solution to this problem. The project involved catching of ownerless and abandoned dogs, conduct ABC operations and find homes/leave them in their original localities from where they were picked up. The ABC project, however, had been entirely supported by the Govt. of India. Apart from the major cities, the programme had been started by AWOs in big towns also.

RABIES CONTROL

A Veterinary doctor of Govt. of Sri Lanka had joined the Animal Birth Control Programme (ABC) in Chennai city. Dr Harishchandra, Director of Sri Lanka’s National Rabies Elimination Programme, believes killing stray dogs will not help control this disease and canines act as barriers presenting humans from contracting rabies. According to him, dog elimination is not the solution, rabies is a disease in mammals. When our cities eat into forests, we find mongoose and other wild animals in urban areas. The first to get infected with rabies from them are stray dogs.

ABC/AR Programme for dogs

The Health Department who led one of the most successful rabies control programme in Sri Lanka by bringing down 400 human rabies deaths to 64 believes, "stray dog population is necessary to tackle the disease." Rabies incidence won't come down if strays are killed en masse, believes Dr. Harishchandra. "Killing dogs shows the failure of the programme. I have come here to see how the ABC Programme will help tackle rabies", he said.

NEW DIMENSION FOR ABC

A regional seminar on Animal Birth Control(ABC) was organised by CPR Foundation at Chennai on 18th September, 2003. At this seminar, Dr. Chinny Krishna said that the Blue Cross was convinced that if a procedure designed to control or eliminate street dogs had not showed positive results after implementing it for over a 100 years, something was wrong.

“The Blue Cross proposed in 1964 about the more humane and viable solution to prevent the visible increase in the number of street dogs and the number of cases of human rabies. It was this project of a sustained catch-and-neuter programme coupled with vaccination against rabies that would work, it was thought. It was decided to call the programme the Animal Birth Control programme or the ABC programme to show that the control of the street dog population was as easy as ABC”. He said that the example of Costa Rica’s success is a new dimension for Animal Birth Control. He told the success story of Dr. Gerado Yayo Vicente S., Executive Director of Mc Kee Project of Costa Rica was commendable and appreciable. The methodology of Costa Rica based ABC Programme had proved good lesson for developing country, specially for India.

Dr. Gerado explained his findings and success in a very attractive way. According to him, the programme requires nothing extra ordinary except the hard work, commitment and dedication for the success of the mission. Dr. Appaji Rao introduced different surgical and chemical methods of ABC which have been already examined by TANUVAS. A Mobile clinic was launched by Dr. Gerado on the occasion to dedicate ABC Programme in Chennai city.

ABC - SUCCESS STORY

Blue Cross of Hyderabad (BCH) completed eleven years in the service of animals. The BCH had pioneered the Animal Birth Control and Anti-Rabies (ABC & AR) programme in the city. Indiscriminate killing of stray dogs over a period of time also leads to populating the locality with more and more aggressive stock with high fecundity and susceptible to rabies. In the ABC & AR programme conducted by BCH, the dogs are released in the same locality from which they were collected so that migrants do not have scope for entry. BCH immunised the dogs against rabies and their reproductive potential was completely neutralized. The programme achieves a stable population free from rabies. Only diseased dogs which are beyond cure or recovery from illness are put to sleep in a humane way. Since garbage management is the key to stray dog management in a compassionate manner, the slogan “no garbage, no stray dogs” is used to educate the community.

By end of 2003, the programme covered 63,812 canines and the community has done well. The post-bite treatment of humans is costly and largely falls on the shoulders of the poor. BCH found that the benefits of the ABC & AR programme in Hyderabad city had proved effective rabies control, healthy, docile and safe and stable population of strays; and a free service of dogs as loyal local chowkidars to the community.

OTHER COMMENDABLE ABC/AR PROGRAMMES

A remarkable decline in the number of stray dogs was noticed after ABC Programme was first commenced in 1999 in Panjim. People for Animals, Goa opened animal shelters in two other municipalities i.e. Mormugao and Ponda other than Panjim. During the year 2003-04, PFA signed a Memorandum of Understanding with each of the Councils, wherein they agreed to assign municipal staff to the shelter after appropriate training of the ABC programme. In Mormugao, the Council gave land for setting up animal shelter. In Ponda, the Directorate of Animal Husbandry
allotted premises for the ABC programme. The Goa Government also provided the assistance of 2 vets, on part-time basis to the animal shelters. A total of 2642 dogs were covered under the ABC programme in 2003-04 in Ponda and Mormugao.

The People for Animals, Kolkata and the Compassionate Crusaders Trust of Kolkata work in tandem. Both organisations jointly have done a total of 3291 ABC/AR cases and the sterilized dogs were released in the original localities from where they were picked up during the year 2003-2004.

Compassion Unlimited Plus Action (CUPA), Bangalore has sterilised a total of 10506 dogs and 10586 dogs were given AR Vaccine during the year 2003-04.

Help in Suffering, Jaipur has sterilised 3023 dogs and immunised 3456 dogs against rabies. Since the inception of the programme 9½ years ago, over 29,000 street dogs have been through it, with a total of over 23,000 dogs being sterilised and vaccinated, besides that over 4000 dogs have been vaccinated additionally against rabies and then released back into their territories in the city. Help in Suffering also runs ABC Extension Programme to help other NGOs to systematically run ABC Programme in India and abroad.

**IX. CRUELTY CASES**

During the year under report, the Board continued to receive complaints regarding cruelty to animals from various parts of the country.

The cases reported included, mass killing of stray dogs by Municipalities, illegal slaughter of animals, use of animals in circuses, cruelty to elephants, cruelty in zoos, illegal zoos, animal sacrifice, cruelty to animals in films etc.

Necessary steps were taken immediately by approaching the District Authorities and other authorities concerned for taking stringent action against the offenders. In many cases, the Board received feedback of the action taken by the authorities concerned to prevent the cruelty. The Board/AWOs won several cases against animal cruelties and offenders were punished. Some of the reported cases are given below:

**CATTLE SEIZED**

Volunteers of the People for Animals (PFA) had rescued 38 heads of cattle with four calves, packed in two mini-lorries, at Red Hills and Vyasarpani, on March 26, 2003 and on 7th April, 2003. The lorry was spotted near Red Hills. The Police was informed and they caught the truck. The truck contained dead and dying cattle and pregnant cows. The animals were loaded from

Ongole of Andhra Pradesh for the purpose of slaughter at Chennai based slaughter house. The rescued cattle were transported to the PFA shelter in Red Hills.

PEACOCK KILLERS PROSECUTED

Seven peacocks were reportedly killed in two separate incidents at Peeth Kakara village, near Pushkar. Six peacocks were killed by twisting their necks on 3 June, 2003. They said the offender first injured the birds by stoning them and then killed brutally. The police arrested a woman, who was later released on bail. A case was registered against her for killing the National bird. The dead birds were sent to the local veterinary hospital for post-mortem.

CATTLE REARING BANNED

The Chennai Corporation had announced a complete ban on cattle and pig rearing within the city limits from August 1, 2003. The civic body asked the existing cattle and pig rearers to remove their animals from the city limits within the deadline, failing which the Corporation would impound them. Invoking provisions of the Tamil Nadu Animals and Birds in Urban Areas (Control and Regulation) Act, 1997, which was notified by a GO on August 25, 1998, the civic body said in a release that impounded cattle would be taken away from the city and penal action initiated against the owners.

GOA BANS FROG KILLING

The Goa Government vigorously implemented the ban on the export of frog legs. The government had alerted the general public that “catching, killing and exporting frogs for meat contravene, the provisions of the Wildlife (Protection) Act, 1972, attract stringent punishment under the Act”. According to reports, the forest rangers chased away the people catching frogs. With the onset of the monsoon, the frogs come out of hibernation for breeding and people catch them. Some restaurants, despite the ban, were serving the frog meat.

LIONS, MONKEY RESCUED

The Virudhunagar district administration and the Forest department rescued lions and monkey at Sattur on 3rd May, 2003. Abandoned lions and a monkey were transported to Vandalur. The animals had been confined in Caravan by a local circus company.

SPECIAL TREATMENT FOR ELEPHANTS

On the occasion of ‘Karkilakom’ at the height of the monsoon, over 60 elephants of the Sri Krishna Temple had a 30-day time-off for Ayurvedic revitalization treatment of body wraps, special diets and herbal tonics in the presence of vets. and trainers at the World’s biggest elephant camp at Punpathur Kotta. The elephants kept busy bathing and massaging to keep their body and mind tuned for the rest of the year.

POACHING CASE

An FIR was booked against four persons, in connection with the recent poaching of a sambar in the Veerapalli reserve forest area at Lower Kodayar range in Kanyakumari district of Tamil Nadu. The case was booked under Sec 9 and Sec 52 of the Wildlife Protection Act 1972 on 9th July, 2003. Sec 9 pertaining to hunting and Sec 52 for abetting the crime.
X. COURT CASES

QUARANTINED CATTLE

Forty Six cows imported from Australia by Andhra Pradesh and West Bengal which had been in quarantine in Chennai for over six months after contracting a disease, escaped euthanasia, with the Madras High Court asking the Governments to take the disease free animals. During a routine observation of the total imported animals (201), after they landed, most of the tested animals were positive for Bovine Viral Diarrhoea (BVD) and Malignant Catarrhal Fever (MCF). The insured animals were ordered to be killed immediately. The National Commission on Cattle and Bharathiya Prani Mitra Sangh obtained a stay from the High Court on the issue.

On April 8th 2003, the First Bench comprising the Chief Justice B. Subhashan Reddy, and Justice Mr. F.M. Ibrahim Khalifulla said that having regard to the fact that 46 animals tested negative for MCF and BVD, the court direct that these animals be handed over to the respective States. The direction should be complied within a week. As far as the other animals are concerned, their samples shall again be tested at the High Security Animal Disease Laboratory, Bhopal, and the report should be placed in court within 15 days. They were housed at the Animal Quarantine and Certification Service Station at Pallikaranai, Chennai.

RELIEF FOR CIRCUS ANIMALS

In a lawsuit filed by People for the Ethical Treatment of Animals (PETA) against the State of Maharashtra and the Empire Circus, Chief Justice Shri C.K. Thakker and Justice Shri Chadrchud ruled that “until the case is settled the animals banned from performing should be sent to a rescue center. Additionally, the performances by the other animals are to stop because the circus does not have registration with the Animal Welfare Board of India (AWBI), which is required by law”.

MOBILE COURTS

The Delhi High Court had ordered for setting up of mobile courts in the city to punish those involved in cruelty to animals. The courts will go round the city and take action whenever they find animals being mishandled. The guilty persons may face imprisonment upto three months
and/or fine. Once the courts are set up, two Metropolitan Magistrates will inspect the condition of animals, including birds in the city, especially in the area near slaughter houses and circuses. The condition of animals during transportation will also come under security.

According to existing provisions of the Delhi Police Act, the police have to produce animals in court to prove that they have been ill treated. Due to this “impractical” requirement, the provisions for fines and punishments under the PCA Act 1960 remains virtually dead. A bench comprising Justice Anil Dev Singh and Justice R.S.Sodhi gave the instruction to set up the mobile courts while hearing petition filed by the AWOs, SPCAs, People for Animals (PFAs), which proved how cruelly animals were brought to the Idgah abattoir for slaughtering. AWOs often bring animals loaded in truck to the Tis-Hazari Courts. This just prolongs their suffering. The suggestion for mobile courts was mooted by Shri C.K.Chaturvedi, Secretary of Idgah Abattoir Committee, who had represented as government counsel. He had suggested that the present system not be reversed and law should come to the aid of the suffering animals.

JUDGE REVOVES DEATH SENTENCE

A District Magistrate (DM) stepped into grant reprieve to a pet dog that had been sentenced to death by a court for creating nuisance and attacking people. Nearly three weeks before it was sentenced to death by the Sub-divisional Officer's Court in Purnea. The dog gained a new lease of life, thanks to the intervention of the DM, Shri Pankaj Kumar. The dog was reportedly fiercely protective of its master Ms. Janki Devi, a widow. But some of her neighbours, claiming that it was uncontrollable and a threat to those living in the area, moved the Sub-divisional Officer's Court seeking action against the animal, saying it had bitten many people. The court sentenced the dog to death under section 107 of the Criminal Procedure Code. The information over the death sentence had drawn the attention of noted Animal Welfare activist Smt. Maneka Gandhi, MP, who had requested the District Administration not to kill the animal and offered to adopt it.

IMPOUNDING OF STRAY CATTLE

The Madras High Court on 9th August, 2003 permitted the Chennai Corporation to prohibit the movement of stray cattle in prohibited areas and to impound them if found straying on the streets. With respect to other cattle, which were guided and kept in the respective houses of the owners, the first Bench comprising Chief Justice B. Subhashan Reddy and Justice K.Govindarajan observed that status quo should be maintained, provided the owners took care of their cattle and

![Stray Cattle impounded by Chennai Corporation](image-url)
maintained them in a hygienic condition, without allowing them to stray on the streets. The Bench said, the authorities concerned should consider the feasibility of the schemes exchanged between them and submit their views and suggestions to the court. The Bench had passed interim order on a batch of writ petitions from milk vendors and cattle owners. Following the HC order, the Corporation resumed its drive to impound the stray cattle.

**USE OF WHIP IN HORSE RACING**

The Jockeys Association of India had filed a case S.C.Suit No. 11760/2001 against the Government challenging the action of the Govt. in framing the rules under PCA Act 1960 with regard to the use of air cushion whips by the Jockeys in horse racing throughout India and for challenging the maximum number of times the whips can be used in a given race.

The Hon'ble Judge Mrs. R.S. Dalvi of the Bombay City Civil Court at Bombay under the landmark judgement dt.29.9.2003 had observed among others that the use of traditional whips by the Jockeys on race horses amounted to cruelty to the animals and caused them injury and also that the rule restricting the use of the whip 8 times per race was not arbitrary and irrational.

The Hon'ble Judge dismissed the suit filed by the Jockeys Association of India and has stated that “the relief of injunction, if any, granted to the plaintiff would be in total disregard of the avoidable injury to the horses and not commiserate with their state of pain. It would be a masochist approach to the horses, whilst putting a premium upon the obtuse jockeys. A relief to the horses is not necessarily a defeat for the jockeys. Enforcing the rules is the remedy to cure the malady of both excessive and incessant whipping. In fact the Rules could have gone further in banning the needless whipping altogether, since it is axiomatic that whips are rather redundant. Besides, there is no reason why India should not lead the World, if that is for a worthy cause.”

**XI. TOURS AND INSPECTIONS**

**CHAIRMAN’S TOUR**

Justice Guman Mal Lodha, Chairman of the Board undertook tours of several States all over the country viz. Rajasthan, Madhya Pradesh, Chandigarh, Delhi, Maharashtra, Uttar Pradesh, Haryana, West Bengal, Assam, Gujarat, Tamil Nadu, Jharkhand, Bihar and Punjab.

**MEMBERS AND OFFICERS OF THE BOARD**

The Members and Officers of the Board also undertook the tours to most parts of the country and visited AWOs to promote the animal welfare cause and prevention of cruelty to animals more particularly to ensure that the grants released by the AWBI are properly utilised.

**INSPECTION FOR MINISTRY’S GRANTS**

In order to ensure proper utilization of funds released by the Administrative Ministry to AWOs for the schemes Shelter House, Purchase of Ambulance and ABC Programme, inspections were carried out by the representatives of the Board including the Members and Sub-Committee Members. Inspection reports were provided to the Ministry for further necessary action.
GOBAR-BATHIS

"Gobar-bathis" - the Japanese can’t get enough of them in its natural form, there may be nothing fragrant about cow-dung, but nothing stopped the Japanese from developing a fancy for incense sticks made from the stuff. The Japanese like incense sticks made of cow dung because it is eco-friendly. According to an official of Santshri Asaram Gau Ashram, the gauashala at Niwai in the Tonk district, about 70 km from Jaipur, is spread over 51 bighas and has 1,500 cows. It provides direct employment to 350 women and 176 men. The Goshala is supplying cow dung to a incense exporter. The incense sticks are manufactured by a Mumbai based exporter at the ‘gaushala’ premises itself. The ‘gaushala’ was selling cow dung at the rate of Rs. 9,000 per tonne to the exporter. Local labourers thereupon convert it into aromatic incense. Besides making incense sticks, the cow shelter turned into a major center for producing the essence of cow urine. The ‘gau mutra’ is distilled and used to make ayurvedic medicine. It also makes organic manure. As a result, the ‘gaushala’ has become a training ground for farmers who are using organic manure in place of chemical fertilizers.

CENTRALLY SPONSORED SCHEMES

Ms. Meena Gupta, IAS, Additional Secretary, Ministry of Environment and Forests visited the AWBI on 21st July, 2003. The visit was to review the functioning of the AWBI and to discuss and consider the possibilities of transferring the Centrally Sponsored Schemes (CSS) at present being dealt within the Animal Welfare Division, to the AWBI for implementation through the Animal Welfare Organisation, to consider formulation of operative guidelines and monitoring the implementation of these schemes.

After detailed deliberations and having regard to all the relevant factors, the major decisions taken were - agreed in principle to transfer the CSS schemes to the Animal Welfare Board of India; Comprehensive guidelines would be formulated for each scheme with in-built mechanism for ensuring proper utilization of funds.

COW AS STATE ANIMAL

Shri Digvijay Singh, the Chief Minister of Madhya Pradesh announced to declare the cow as the State Animal either by removing the Barasingha from this status or along with the already endangered species. Shri Singh made this announcement on the occasion of ‘Prantiya Gau Vigyan Sangoshthi Eevam Parshikshan Karyakram’ (State Cow Sciences Meet and Training Programme) organized by the State Government’s Gau Sewa Ayog on 10th August, 2003.

HOLIDAYS FOR ELEPHANTS

The rejuvenation camp for elephants, which was concluded at Theppakkadu, will now be an annual affair. And the duration of the camp was increased from the present 30 days to 45 days. Nearly 100 elephants belonging to temples, mutts, private individuals and the forest department were transported from various parts of the State. "Born out the deep sense of compassion for these noble animals, the scheme was a resounding success. The scheme which was launched solely for the well-being and restoration of the physical and mental health of the elephants held in captivity, had also helped in bringing about a harmonious bonding between animal and animal,
between human beings, animals and the environment. The elephants were provided with nourishing diet and intensive medical attention by veterinary specialists. The camp had provided them rest and leisure. At the same time, the mahouts were also imparted training in taking better care of the elephants.

![Temple elephants in Mudhumalai Sanctuary](image)

The detailed medical histories of the animals which was documented during the camp would provide valuable information on elephant conservation and care. "Obvious and valuable" benefits had been praised by conservationists and others who visited the camp. The duration of the camp was for a period of 45 days.

**COW SLAUGHTER BANNED IN M.P.**

The Madhya Pradesh Cabinet decided to impose a complete ban on cow slaughter on 12th December, 2003. Presided over by the Chief Minister, Ms. Uma Bharti, the Cabinet also decided to equip the cow sheds for taking care of sick and ailing cows. Government of Chhattisgarh headed by Dr. Raman Singh, the Chief Minister banned cow slaughter on 17th December, 2003. Cow slaughter is now totally banned in the State and anyone engaged in it will attract punishment. The Govt. had also decided to set up new gaushalas in the State.

**BAN COW SLAUGHTER**

The Animal Welfare Board of India had urged the State Government to enact legislation to ban cow slaughter. The Chairman, Justice G.M. Lodha said that the Cow slaughter was banned in 1976 by the Govt. vide Order: No.1715 but it could not be implemented effectively. Hence, there is a pressing need for such legislation. The Govt. should also ban the movement and transport of cattle from Tamilnadu and other States. The Sub-Committee had also resolved that the Govt. extend financial and administrative supports for gaushalas for sheltering old, infirm and dry cattle.

**AWBI APPEAL TO GOVT. OF WEST BENGAL**

Chairman of the Animal Welfare Board of India had appealed to the Govt. of W.B. that in an appeals case, Hon'ble Judges of the Supreme Court while entirely concurring with and confirming the Judgement dt.20.8.1982 of the Calcutta High Court in Kedarnath Brahmachari & Ors. v State of West Bengal & Ors. have held that it was not open to the State to invoke its
exemption power U/S 12 of the W.B. Animal Slaughter Control Act, 1950 for religious purpose of the Muslim on the occasion of Bakri-id. Since Sec.4 of the said Act, which according to the Supreme Court is the thrust of the Act, imposes a total ban on slaughtering of healthy cows and other animals mentioned in the Schedule U/S 2 of the Act, it becomes incumbent on the State administration and the police to see to it.

Though the Hon'ble Court delivered the judgement on 16.11.1994, it was observed that the State and its administrative machinery have so far knowingly or unknowingly treated the judgement contemptuously and have absolutely taken no care and action to implement the same, except issuing token appeals in newspapers. Despite several organisations pointing about the blatant violation of the Supreme Court judgement, the ever increasing slaughter of Cows and its progeny on Bakrid-Id day continues on a very large scale in the city of Kolkata and other places of West Bengal. He appealed to Govt. of West Bengal to ensure that the Supreme Court's Judgement is strictly enforced in its true spirit.

XIII. CONCLUSION

The Animal Welfare Board of India has completed 41 years of service for the promotion of Animal Welfare and Prevention of Cruelty to them. During the year under report the activities of the Board continued to be extended all over the country including Jammu Kashmir and the North Eastern States and even remote parts of the country. The Animal Welfare Organisations recognised by the Board were activated.

With the increase in funds due to the Mahavir Fund from Ministry of Culture, there was considerable relief to the AWOs and the AWBI. The organisations got additional funds as Mahavir Grant for increasing their activities during the current year.

The ban on dissection, formation of new SPCAs/AWOs/Goshalas, no. of rescue operations and court cases were increased tremendously, the new Rules notified by the Government of India were all sought to be implemented forcefully. The State Committees met periodically and followed up the implementation of the Policies of the Board resulting in a considerable augmentation of the animal welfare activities throughout the country.

With the gradual increased allocation of financial grants, the Animal Welfare activities have been increasing consistently. The proposal of transferring Central Schemes to AWBI for implementation through Animal Welfare Organisations/Institutes is a positive step towards Animal Welfare activities. We have no doubt that with increase in grants in future, the activities of the Board are bound to be more effective and the dumb friends of man, the animals, would get their due share in the years to come.
