INTRODUCTION

The Animal Welfare Board of India is the country's Apex Board for promoting the welfare of animals. Established in 1962 under Section 4 of the Prevention of Cruelty to Animals Act, 1960 (No. 59 of 1960), the Animal Welfare Board of India was started under the stewardship of the Late Smt. In these programmes several senior Govt. functionaries from the Forest Department, Local Bodies, Animal Husbandry Department participated and spoke on various topics on animals and animal welfare.
X. ANIMAL BIRTH CONTROL PROGRAMME

The following ABC/AR training programmes were held during the year:

ANIMAL HANDLERS (DOG CATCHING) TRAINING PROGRAMME

Vets Beyond Borders, the Animal Welfare Board of India and the Brigitte Bardot Foundation have partnered together to deliver a sustainable National Training and Certification Program for Animal Handlers in India. This inaugural program will significantly upgrade the skills of dog catching and handling across India and will also improve the public perception and overall success of ABC-AR programs.

ABC-AR (Animal Birth Control- Anti-Rabies) programs are being carried out throughout India as the legally prescribed method for dog population and rabies control, endorsed by W.H.O. However there is a lack of technically trained personnel available to deliver these programs. The Animal Welfare Board of India published Standard Operating Procedures for ABC-AR programs in 2009. Agencies carrying out ABC-AR programs are required to adhere to these SOP’s, including a humane prescribed manner of dog catching and handling. However, there is currently no training being offered on this. Vets Beyond Borders is committed to providing training to Indian personnel through VBB Vet-Train, in partnership with the Animal Welfare Board of India and other government and non-governmental agencies, in order to increase the capacity and standards of ABC-AR programs being carried out throughout India under the guidelines of the AWBI SOP. This is in keeping with VBB and AWBI’s core goals of improving animal welfare and public health.

Effective and humane dog catching and handling is the key to any successful ABC-AR program. Advanced dog catching skills are required in situations where rabid or very aggressive dogs must be caught to protect the public, and the feral dogs who are hard to handle are often left due to difficulty in catching them by untrained personnel. Selectively catching the friendly street dogs and leaving the feral ones un-desexed and unvaccinated will not contribute to a successful program. Inhumane methods of dog catching (eg) the pole and noose and iron tongs are not only ruled out by the AWBI, but lead to a negative public perception and rejection of the ABC-AR programs by the community.

The trainees were taught advanced animal handling techniques and secondly, how to teach these to others. They were given copies of training materials and undertook a commitment to train at least 20 other animal handlers (dog catchers or paravets) from their region in the coming year, coordinated by their employing organisation. AWBI certified the graduates of Phase One as Master Animal Handlers and of Phase Two as Certified Animal Handlers, and will require all its ABC-AR grant recipients to train and certify their dogcatchers, adopt the new catching methods, and abandon methods that are cruel and stressful which are not prescribed by the AWBI Standard Operating Protocols, for example iron tongs, pole and noose.
VBB provided each Master Animal Handler with a video of Dr Mark's lectures and practical demonstrations, translated into 3 regional languages for their use in ongoing regional training. Training handbooks will also be provided, along with lesson plans and breakdown of educational outcomes and assessment criteria. This will ensure consistency of training, handling and capture methods, and facilitate an accreditation system that maintains national standards for regional trainees. The above training programme was attended by 55 trainees during three batches held from 14th February, 2011 to 4th March, 2011 and the training was very successful.

TWO MORE ABC CENTRES FOR VISHAKAPATNAM

The public health department of the Greater Visakhapatnam Municipal Corporation (GVMC) has proposed to open two more animal birth control centres for speeding up the sterilisation of stray dogs and to administer anti-rabies vaccine.

The Corporation has tied up with the Visakha Society for Protection and Care of Animals (VSPCA) since 2001 for the ABC programme and the society has been performing 900 operations per month. Discussions were going on to open two more ABC centres in the city in addition to the existing one operated by the VSPCA. The VSPCA has the best facility and carries out this programme in two other areas of Bhimili, Steel Plant and coordinating at Rajahmundry. The city has more than one lakh dogs as per Corporation records.

WVS TRAINING CENTER OPENED

The opening of an international training centre of the Worldwide Veterinary Service (WVS) at Aruvankadu, near here, marked the observation of the World Rabies Day in the district on Sep. 28, 2010. The facility was inaugurated by the Chairman, Animal Welfare Board of India (AWBI), Major General (Retd) Dr. R.M. Kharb, AVSM. It was pointed out that rabies in humans and animals is a major source of concern particularly in the rural parts of India on account of illiteracy, lack of facilities and lack of awareness about dog bite prevention and post-bite precautions and though rabies is fatal, it is preventable. It was pointed out that vaccination of dogs was the key to success. AWBI had successfully implemented Animal Birth Control (ABC) programmes on stray dogs in various places including Chennai. It is estimated that with possibly 20 million dogs in India, making India rabies free is a huge task. The need to implement participatory ABC programmes was emphasized. The civic bodies should be educated and sensitized to the relationship between street dog sterilization, rabies inoculation, dogs' territoriality, and human garbage as a food source. False notions about stray dogs should be dispelled.

The aim of the centre is to train like-minded people and WVS worked with over 300 associations in different parts of the World. In India, cruelty to dogs stems from fear of rabies. However, ridding the country of the dreaded disease is possible. Mass vaccination of dogs
has been shown to be the most cost-effective method of preventing human rabies cases and is the method of choice in most of the developed countries.

WORLD RABIES DAY OBSERVED

World Rabies Day was observed on 28th September, 2010 which is a global event to create awareness about the burden of rabies and to highlight its preventive measures. The Board has circulated a letter to all the Animal Welfare Organisations which are carrying out sterilization and immunization to carry out mass vaccination of stray dogs to control the Rabies and also uploaded it in the website of the Board to sensitize the public.

The Board requested all the animal lovers and activists to create and sensitize the public towards achieving a better result for controlling the stray dog population and to reduce the incidences of rabies. JBF (Just Be Friendly), organized events for "World Rabies Day and World Animal Day 2010" from 28th September to 4th October 2010. The whole event was a success. This year besides the Free Health Check-up & Vaccination camp at JBF PET CARE UNIT, JBF Team imparted the concept of animal welfare among the veterinarians, budding vets, children & general public. Nine skits were made on animal welfare themes, to spread the message about animal cruelty, animal sacrifice, animals used for entertainment, irresponsible animal keepers etc. 'Tenga Ahi Aase' spreads the message against sacrificing animals for any purpose, be it religion or superstition.

ABC AND HUMANE EDUCATION WORKSHOP

Blue Cross of Hyderabad approached the Chairman, AWBI to conduct a workshop for AWOs in the State to train the new ABC, Standard Operating Procedure (SOP) and Humane Education presentations following repeated reports of dog killings in the State. Blue Cross was authorized to conduct the workshop to empower AWOs to take up the ABC programme in their respective places. The Chairman constituted a Steering Committee for Supervision of Stray Animal Control for the State and Blue Cross is a member of the committee.

Smt. Amala Akkineni demonstrated presentations on various animal welfare issues and conducted group practice sessions for the participants. Senior and experienced participants took the responsibility of mentoring other participants during practice. The programme was funded by Blue Cross of Hyderabad. GHMC officials also attended the programme.

HIGH COURT GUIDELINES ON FEEDING OF STRAY DOGS

The Delhi High Court granted approval to new guidelines prepared by the Animal Welfare Board of India for feeding stray dogs in the capital. The guidelines say that stray dogs should be fed at places which are not frequented or less frequented and sparingly used by the general public. The other features of the guidelines are: dogs should not be herded at a particular spot.
for the purpose of feeding; public causeways, public streets, pedestrian paths and footpaths are to be avoided; common/public area immediately abutting the entrance to flats/houses must be avoided; feeding should be undertaken at a time when the density of human population is minimal; feeding should be undertaken more than twice a day and in a hygienic manner.

The Court had last year directed the Animal Welfare Board to designate places in different localities in the city where animal lovers could feed these dogs without being harassed by the residents. Holding that feeding stray dogs is both lawful and helpful, the Delhi Police was also directed to give protection to animal lovers who wanted to feed stray dogs. Feeding dogs makes them friendly and easier to handle, and citizens are free to feed dogs in areas to be decided by the Animal Welfare Board.

The Court had passed the order on a bunch of petitions by Delhi based animal lovers seeking protection to feed stray dogs. The petitioners had approached the Court after they were harassed and threatened by the residents of their colonies for giving food to stray dogs.

The common argument of the petitioners was that it was their statutory right to feed stray dogs under the Central regulations and rules for taking care of animals. They had further argued that taking care of stray dogs would facilitate their vaccination and sterilisation which would keep them healthy and control their population. It was also their Constitutional duty to show compassion to animals.

AMC SIGNS MOU WITH AWBI FOR ABC

The Ahmedabad Municipal Corporation (AMC) signed a Memorandum of Understanding with the Animal Welfare Board of India for its Animal Birth Control (ABC) programme on 1st July, 2010. Municipal Commissioner, Shri I P Gautam and AWBI Chairman, Maj. Gen. (Retd.) Dr. RM Khabar, AVSM signed the MoU for sterilization and vaccination of stray dogs in the city. AWBI will bear 50 percent of the total expenses incurred. The programme will begin by conducting a dog census which will decide the effort needed to curb the menace. The census was completed,
by a US-based organisation, Humane Society International. The civic authorities have set a target of two years for visible results of the ABC programme.

The Board has also entered into MoU with other Municipal Corporations like Ludhiana, Punjab and Srinagar, J&K, Administration of Ladakh in J&K and with the Delhi Cantonment Authorities for participatory Animal Birth Control Programme wherein the civic bodies would contribute 50% of eligible ABC expenditure for carrying out ABC programme.

XII. LEGAL CASES

SLAUGHTER HOUSE CASE

PETA, Mumbai has filed a W.P.(Civil) No.44/2004 in the Supreme Court regarding implementation of PCA (Slaughter House) Rules 2001. In this case, AWBI is one of the Respondents.

PETA has requested to issue direction to all State Govts. to constitute SPCAs in each District and for proper implementation of Transportation Rules and Slaughterhouse Rules. PETA has further sought in their prayer that the AWBI should nominate persons and/or AWOs under Rule 9 of the PCA (Slaughter House) Rules 2001 to check illegal Transport of Cattle by rail, road or on foot and to inspect the Slaughter houses in their respective districts and to submit reports.

The Hon'ble Supreme Court had issued a direction to the AWBI, to inspect slaughter houses in Tamil Nadu and submit the report to the Court. The direction that was issued on 8/5/2006, was for appointment of 2 representatives from SPCA/AWOs to inspect Slaughter houses in Tamil Nadu State and file reports within three months. Accordingly the Board nominated the Vellore SPCA and Govardhan, Chennai for inspecting 28 slaughter houses from 21st June to 31st July 2006, and for furnishing reports to the Board, for filing before the Supreme Court. Subsequently, the Board submitted the inspection reports to the Hon'ble Supreme Court,

Thereafter, the Hon'ble Apex Court directed the A.W.B.I. to inspect the slaughter houses of the States of Kerala and Karnataka within three months of its order dated 13.10.2007.

The AWBI then constituted a three Member Committee comprising of Shri S.K. Mittal, Member, AWBI, co-ordinating, along with a representative of an organization called Compassion Unlimited Plus Action (CUPA), Bangalore, and one Government official of the State of Karnataka to inspect the Slaughter houses of Karnataka. The inspection team completed the inspection on 24.01.2007. They visited slaughter houses in 27 Districts of Karnataka.
The inspection of slaughter houses in the state of Kerala was conducted from 05th January, 2007 and completed by 08.01.2007. This team comprised of Shri S.K. Mittal, Member, AWBI, and Mr. A.G. Babu, Secretary, Idukki SPCA. The Government of Kerala issued an order No.E-2.39562/2004 dated 7.12.2006 deputing Dr. Surendranath, Sr.Vety. Surgeon for North Kerala, Dr. Umapaheshwaran, Sr. Vety. Surgeon for Central Kerala and Dr. C. Ramesan Babu, Sr. Vety. Surgeon for Southern Kerala, for conducting inspection of Slaughter Houses along with AWBI representatives. The inspection team visited 31 slaughter houses situated in 11 districts of Kerala. The inspection report in respect of the Kerala and Karnataka slaughter houses was filed in the Hon'ble Supreme Court on 15.2.2007. The Case is still pending in the Hon'ble Supreme Court.

The Board is taking all necessary steps to ensure compliance with the orders passed by the Hon'ble Supreme Court.

The case came up for hearing a few times but it was not taken up. The counsel representing parties submitted before the Hon'ble Court that this Writ Petition has been pending before the Hon'ble Court for the last seven years, and despite best intentions the Slaughter House Rules have not been fully implemented till date. Mr. Gopal Subramaniam, Solicitor General submitted that proper mechanisms need to be put in place for implementation of the above Rules, and requested that the Court grant a period of six weeks for a discussion between the parties. A detailed meeting was held on 4th March, 2011 to discuss the issues related to slaughter houses, and pertinent decisions were taken.

These shall be placed before the Court. The case is still pending for hearing.

2. IN THE SUPREME COURT OF INDIA  
JALLIKATTU CASE — SLP (C) No.11686 of 2007 — Animal Welfare Board of India Vs. A. Nagarajan & Ors and S.L.P.No.18804-18805 — AWBI Vs P.Rajasekaran & Ors

The AWBI has filed a Special Leave Petition in the Hon'ble Supreme Court of India against the order passed by the learned judges in the Jallikattu case. The bulls that are involved in Jallikattu are subjected to severe cruelty and suffering. Moreover, bulls and bull tamers are often grievously injured.
The Hon’ble Apex Court had issued an order directing the State to ensure that guidelines specified are fully followed, and animals not subjected to any cruelty.

The case came up for hearing on 24th August, 09 and the Solicitor General appearing on behalf of the State of Tamil Nadu submitted that a legislation had already been passed by the State Legislature on Jallikattu, and that it would be notified soon. -The matter also came for hearing on 18.11.2010, when the Hon’ble Supreme Court passed certain orders and issued certain directions to ensure safety and security of the spectators and to prevent cruelty to the animals which participate in the events. Some of the directions issued were as under:

(i) The Collectors of the districts in Tamilnadu shall ensure that the animals performing in the Jallikattu and related events are registered in accordance with Chapter V of the Prevention of Cruelty to Animals Act 1960, and the rules enacted thereunder, and the requirements of the said Act are fulfilled.

(ii) The Collectors shall ensure that the conditions imposed with regard to exhibition and participation of the animals shall be implemented and followed by the persons organising the events and the owners of the registered animals.

(iii) In view of the fact that the respective Collectors will have the information about the Jallikattu and other events at least one month prior to the actual events, the Collectors shall notify the Chennai Chapter of Animal Welfare Board of India, (under acknowledgement), about the events to enable the Animal Welfare Board to depute its representatives/animal inspectors/ volunteers to be observers for the events.

The Board has filed a status report in the Hon’ble Supreme Court of India in Jan, 2011. The matter was again heard in March, 2011. The Board submitted, on the basis of data presented by it, that the safety measures that had been adopted were obviously not satisfactory or sufficient. The Hon’ble Supreme Court therefore directed the adoption of additional safeguards to ensure safety.

These cases are still pending before the Court.

WORLD HOUSE SPARROW DAY CELEBRATED

March 20 is observed as the 'World House Sparrow Day'. Sparrows, owls and vultures top the endangered birds' list in India. Sparrows, once the most widely-found bird, are regarded as

an indicator of a healthy environment. But, unfortunately, there has been a rapid decline in the number of common house sparrows. The house sparrow (Passer Domesticus), which has been part of our culture and stories (told by grannies and parents to the kids), is decreasing in number. The house sparrow once nested on almost every house, on cops and upon fans, in roofs with wooden planks. In bushy hedges they lived in colonies and survived on food grains and leftovers, worms, caterpillars, and termites. In buildings or homes where no natural nesting places exist, we can use nest boxes for sparrows. Utmost care has to be taken that no predators like crows,
shikras or snakes etc harm the eggs or young ones. It has also to be seen that sparrows have
access to green plants for worms and feed of young ones and nest boxes should not be exposed
to extremes of weather. Nest boxes can help the house sparrow raise a family. Providing nest
boxes should be the last option.

XIX. CONCLUSION

The Animal Welfare Board of India has completed 49 years of service in the promotion of
Animal Welfare and Prevention of Cruelty to them. During the year, the activities of the Board
continued to extend all over the country including Jammu Kashmir and the North Eastern States
and even in remote rural areas of the country. The prompt and effective responses of the State
Govts., Collectors, Secretaries to Govt., Dept of Animal Husbandry was highly encouraging.
With the gradual increase in allocation of financial grants, the Animal Welfare activities have
been widened consistently. We have no doubt that with higher allocation of grants to the Board,
the spreading of the message of love and compassion towards the animal kingdom is bound
to grow and effectively thereby reduce and mitigate their misery and suffering and will also
reduce the instances of man-animal conflict.

SEPARATE AUDIT REPORT OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA
ON THE ACCOUNTS OF ANIMAL WELFARE BOARD OF INDIA, CHENNAI
FOR THE YEAR ENDED 31 MARCH 2011

We have audited the attached Balance Sheet of Animal Welfare Board of India, Chennai as at 31 March 2011 and Income & Expenditure Account / Receipts & Payment Account for the year ended on that date under Section 19(2) of the Comptroller & Auditor General’s (Duties, Powers & Conditions of Service) Act, 1971 read with Rule 24(2) of the Animal Welfare Board of India (Administration) Rules. These financial statements are the responsibility of the Animal Welfare Board of India, Chennai’s management. Our responsibility is to express an opinion on these financial statements based on our audit.

2. This separate Audit Report contains the comments of the Comptroller & Auditor General of India (CAG) on the accounting treatment only with regard to classification, conformity with the best accounting practices, accounting standards and disclosure norms etc., Audit observations on financial transactions with regard to compliance with the Law, Rules & Regulations (Propriety and Regularity) and efficiency-cum-performance aspects, etc., if any, are reported through Inspection Reports / CAG’s Audit Reports separately.

3. We have conducted our audit in accordance with auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining, on a test basis, evidences supporting the amounts and disclosure in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.

4. Based on our audit, we report that

i. We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit.

ii. The Balance Sheet and Income & Expenditure Account/Receipt & Payment Account dealt with by this report have been drawn up in the format approved by the Ministry of Finance, Government of India.

iii. In our opinion, proper books of accounts and other relevant records have been maintained by the Animal Welfare Board of India, Chennai as required under Rule 17(3)(c) of the Animal Welfare Board of India (Administration) Rules, 1962 in so far as it appears from our examination of such books.

iv. We further report that:

A. Balance Sheet

(a) Non receipt of Utilisation Certificate

Under the Plan Scheme, the Board had released grants amounting to ₹ 66.01 crores to 10214 Animal Welfare Organizations during the year 1994-95 and 2009-10. Out of this, utilization certificate was pending for ₹ 1.31 crore from 365 organizations.
Similarly, under the Central Sponsored Schemes (CSS), AWBI released grants of ₹ 68.43 crore to 1013 organizations during the year 2004-05 and 2009-10. Out of this utilization certificate for ₹ 2.07 crores from 46 organizations was not received.

B. Grant-in-aid

An amount of ₹ 4.85 crore which was unutilized during 2009-10 was revalidated and during 2010-11, AWBI received an amount of ₹ 22.10 crore (NIL amount was received during March). Therefore total grants available for expenditure during 2010-11 was ₹ 26.95 crore out of which ₹ 26.89 crore were utilized leaving an amount of ₹ 0.06 crore as grants not utilized.

C. Accounts of CPF of AWBI

Balance Sheet

The Balance Sheet, Income & Expenditure Account and Receipt and Payment Account of CPF attached along with the accounts were prepared without attaching the accounting policies and practices adopted in the preparation of CPF.

Income and Expenditure Account

Income

The above includes an amount of ₹ 411088 received as employer’s contribution towards their share of CPF subscription for employee. This amount should have been credited to the employees account and should have been shown as a liability instead of treating the receipt as an income of the fund. Thus the income of fund is overstated resulting in deficit in the Income and expenditure account instead of surplus shown in the accounts.

In absence of accounting policies and practices adopted in the preparation of CPF accounts and including employer’s contribution in the income of the CPF Funds, we were unable to express our opinion on the correctness of the CPF accounts.

Subject to our observations in the preceding paragraphs, we report that the Balance Sheet and Income & Expenditure Account/ Receipts & Payment Account dealt with by this report are in agreement with the books of accounts.

In our opinion and to the best of our information and according to the explanations given to us, the said financial statements read together with the Accounting Policies and Notes on Accounts and subject to the significant matters stated above and other matters mentioned in Annexure - I, to this Separate Audit Report give a true and fair view in conformity with accounting principles generally accepted in India.

a. In so far as it relates to the Balance Sheet, of the state of affairs of the Animal Welfare Board of India, Chennai as at 31 March 2011 and

b. In so far as it relates Income & Expenditure Account of the deficit for the year ended on that date.

Kindness to animals will make a better India for all of us

Celebrating Animal Welfare Fortnight 14th - 31st Jan. 2011

MAHATMA GANDHI said
"The greatness of a nation and its moral progress can be judged by the way its animals are treated."

- It is the obligation of all human beings to treat animal life with respect, compassion and kindness
- Cruelty to Animals is a punishable offence
- Adopt a street dog/pup, he can be your most loyal friend and a reliable guard
- Do a Noble deed a day – take care of street animals

Animal Welfare Board of India (www.awbi.org), a statutory body of Government of India, requests all citizens of the country to treat all animals with respect, kindness and compassion and ensure that they are not abused, while ensuring that the provisions and rules enacted in the Prevention of Cruelty to Animals Act 1960 are also adhered to and obeyed by all.
